Key Theoretical Frameworks Angela M. Haas, Michelle F. Eble, 2018-10-17
Drawing on social justice methodologies and cultural studies scholarship, *Key Theoretical Frameworks for Teaching Technical Communication in the Twenty First Century* offers new curricular and pedagogical approaches to teaching technical communication. Including original essays by emerging and established scholars, the volume educates students, teachers, and practitioners on identifying and assessing issues of social justice and globalization. The collection provides a valuable resource for teachers new to translating social justice theories to the classroom by presenting concrete examples related to technical communication. Each contribution adopts a particular theoretical approach, explains the theory, situates it within disciplinary scholarship, contextualizes the approach from the author's experience, and offers additional teaching applications. The first volume of its kind, *Key Theoretical Frameworks for Teaching Technical Communication in the Twenty First Century* links the theoretical with the pedagogical in order to articulate use and assess social justice frameworks for designing and teaching courses in technical communication.
