*Dear {Sir / Madam},*

*First of all my cordial greeting. I am here at this moment writing in reference to {Name}, who is before your court because of {reason for court appearance}.*

*{Name} asked me kindly if I could write a reference letter, but the truth is that I was already planning on doing so before asking me. I sincerely feel very concerned about the well-being and future of {name}, and my intention is to try to make them understand my point of view and that of many people who love and love him.*

*Although it seems hard to believe or understand, {name} is a good person and has always had morality in his actions. I have had the happiness of being able to meet {name} for {amount of time} and that is why I can assure you that even though he/she has had his ups and downs in life, I and many of his friends we are convinced that {name} is a human being with a great heart and a decent person. I'm sure that {name} only needs more people around him who believe in him/her to better develop his self-esteem and self-confidence and be able to return to be that amazing person that I've always been able to meet.*

*Certainly {name} has made some mistakes, of which I am convinced that he/she is very sorry for having committed, for which he will be fully prepared to repair, as best he can, all the financial and emotional damages that his actions may have been caused around him. But this will only be possible if this justice system and all of us give a new opportunity to him/her because we recognize that he could have broken the law. I am sure that you know the power that the decision that you can take on the life of this {woman / man} and can take a wise disposition.*
