National Association of Student Councils
c/o NASC Student Leader Certification
1904 Association Drive
Reston VA 20191

To Whom It May Concern:

I am writing today to recommend (***STUDENT NAME***) be named a certified student leader through the NASC Student Leaders Program. In addition to his/her meeting the required criteria, I would like to highlight additional reasons why this student should receive the award.

STUDENT is an outstanding young leader who has made a difference here at ***SCHOOL*** and who is committed to the student council. I have had the pleasure of observing and working with ***STUDENT*** for two years and have witnessed his/her leadership in action.

One of the best examples I can cite that will illustrate what typifies this young man/woman occurred last year when s/he was working with the student council to assist with a local blood drive. The activity became a passion and his/her efforts and ingenuity were directly responsible for signing up over 300 student volunteers to either give blood or recruit their parents and others. It was one of the most successful drives of the year.

As ambassadors for our school our student council members are known to our parents and community. ***STUDENT*** works diligently each year to reflect to the community the pride and spirit we have here at ***NAME*** High School.

It is for these and other similar and compelling reasons that I am recommending ***STUDENT***. As ambassadors for our school our student council members are known to our parents and community. ***STUDENT*** works diligently each year to reflect to the community the pride and spirit we have here at ***NAME*** High School.

It is for these and other similar and compelling reasons that I am recommending ***STUDENT*** for the honor of being recognized by NASC as a Distinguished Student Leader.

Sincerely,

Mr./Ms. Principal

Strengthening Anti-Racist Educational Leaders Anjalé D. Welton,Sarah Diem,2021-10-21 This edited volume expands on the existent research on anti racist educational leadership by identifying what type of capacity building is needed for school administrators to facilitate anti racist change in their schools Racial inequities in education persist in part because the solutions that districts and schools choose to employ largely ignore why and how institutional and structural racism is the root cause of inequities in education Yet racial inequities in schooling can be redressed if districts and schools have leaders who are deeply committed to combatting racism in their daily practice and structures of schooling This book underscores why we need more educational leaders who adopt an anti racist stance in how they lead and are prepared to work toward racial justice and equity in a society so entrenched in racism Through diverse perspectives and voices including scholars in the field of educational leadership sociologists of education school and district administrators and grassroots community members and activist groups this book addresses issues related to anti racist educational leadership at various levels
