

We want to work with our school community to get some shared understandings about the teaching and learning we want at our school.

We want a local curriculum that strengthens our people and celebrates our place.

How do we make our vision come alive for every learner, every day?

We know there are some amazing people doing amazing things in our community – how do we better connect our students to these learning opportunities?

NB: The New Zealand Curriculum uses the term “school curriculum” instead of local curriculum.
