last place Quakeress Faith Cathwell thought she'd find herself. But with a gift for nursing, Faith seizes this opportunity to join the fight for abolition and to search for Shiloh, a freeborn childhood friend who was kidnapped and sold south by unscrupulous slave catchers. Knowing it's much too dangerous for her to search enemy territory alone, Faith enlists the help of Colonel Devlin Knight, who is indebted to her for saving his cousin's life. A career soldier, Dev is committed to the preservation of the Union but conflicted about freeing his own slave and confidant who plans to enlist as soon as Dev gives him manumission papers. Blazing a trail east with the rest of Grant's army, Dev and Faith fight their personal battles and a growing attraction to each other. When beliefs clash and passions flare, they quickly find that the only thing more dangerous than the war surrounding them is the battle within their hearts. **Thinking in Transit** Edward S. Casey, Megan

Craig, 2025-08-26 Does being in motion change how we think? Tracing the connections between thinking and transit, including walking, being transported by a vehicle, and many other modes, this innovative book shows how embodiment and movement deepen, expand, and transform creative thought. Megan Craig and Edward S. Casey provide a collaborative phenomenological exploration of thought in motion, interspersing lively first-person accounts with broader philosophical inquiry. Their investigation is structured around the four ancient elements: water, air, earth, and fire, ranging across swimming, boats, balloons, planes, cars, trains, and other modes of transport. Craig and Casey invite readers to recall their own experiences of travel and how thinking changes in tandem with shifting environments and whatever conveys a person from place to place. They also consider how changing climates and evolving technologies, with new rhythms and materialities, have shaped human thinking in its many varieties. *Thinking in Transit* celebrates forms of movement and motion that carry the body and mind out of their habituated routines. This book urges a change in how philosophers have traditionally framed the setting for serious thought, from the austere, solitary space of a study to populated places of interaction and passage. **The Christian Observer**, 1805

A Commentary, Critical, Experimental, and Practical on the Old and New Testaments Robert Jamieson (D.D.), 1866 **A Commentary, Critical, Experimental, and Practical, on the Old and New Testaments, by the Rev. R. Jamieson, Rev. A. R. Fausset ... and the Rev. David Brown. [With the Text.]**, 1866 *Just Tell the Truth* Richard Lischer, 2021-02-23 What does it mean to live the Christian life with conviction? Richard Lischer insists that Christians have a stake in the political and social conflicts that are dividing our culture. In whatever circumstance, Christians are obligated to tell the truth about what it means to be a follower of Jesus. In *Just Tell the Truth*, Lischer explores seasons of suffering, hope, and triumph in the light of the gospel. Drawing upon Scripture and the lives of both well-known and anonymous Christians, he helps his readers imagine what truthful living looks like. While remaining biblically and theologically rooted, the sermons eloquently engage the present moment, showing how Christian conviction has a place in the controversial realms of politics, racial justice, and the COVID-19 crisis. The nourishing meditations in *Just Tell the Truth* align the rhythm of the gospel with the curvature of human experience, empowering Christians to find the heart of God in what is too often a heartless world.
