The Killers Within US Scott Carroll, M.C., 2014-12-14 The Killers Within US are those individuals who are in such pain that they tragically kill others and or themselves. These individuals often leave a wake of confusion, anger and hurt among their survivors. This book explores the most common disorder linked to suicide, homicide and several other disorders that kill millions of people annually. A mental disorder known as Borderline Personality Disorder (BPD) or its traits frequently influence these individuals in particular to the point of killing. Several BPD traits span thousands of years and are mentioned within the Holy Bible. This book explores the truth about and the origin of BPD and offers both Biblical and Clinical ways to recover from it. God said, "Let my people go and the Truth will set you free." This book is full of truth and by applying these truths within it, it is hoped that you too can be set free from the Killers Within you.
