

Strategic Sourcing vs. Purchasing

	Strategic Sourcing	Purchasing
Pricing Points	Analyzes the supply chain market dynamics and includes the total cost of ownership (TCO).	Cost-drive, pricing points inclusive of cost value.
Supplier Value	Long-term goal that pre-vets supplier resources.	Short-term goal that focuses on the cost of a single purchase.
Buyer-supplier Collaboration	Builds and fosters buyer-supplier relations.	Discovering suppliers at cost-effective rates.
Quantity & Quality	Covers both quantity & quality while fulfilling your other business needs.	Quantity over quality.
