Investing Your Money B. J. Best, 2014-12-15 Find out what stocks and bonds are all about Take your first step onto Wall Street and learn the basics in this fun introduction to investing Investing Money Helen Thompson, 2010-09 Investing can be a great way to have your money work for you By putting your money into smart investments you can add to the amount you have without actually having to work for it Each investment has its own risks and potential rewards You can potentially make more money on a risky investment but the chance you take is higher Lower risk investments have a better chance of making money but the rewards are smaller There are important differences in short and long term investment strategies that you should know about Before you invest your money it's important that you know you have enough to invest Saving up enough to invest is key Learn all this and more in Investing Money Book jacket **Junior High School Library Catalog**, 1970 **Teaching Economic Concepts with Picture Books and Junior Novels** Nancy J. Polette, 2013-08-29 Using quality literature to introduce younger students to economic terms and concepts is an engaging and effective teaching method This book demonstrates how At what age can children benefit from learning about economics The consensus among educators today is the earlier the better K 8 teachers and librarians will find this book invaluable for introducing basic economic concepts to students and giving them a solid foundation of understanding that can be built upon as they advance in grade level Author Nancy Polette prolific author and expert on using picture books for education explains how to use 20 picture books to present basic ideas such as credit wants and needs and supply and demand and to build understanding of more complex concepts with 20 junior novels The titles and suggested activities enable students to enjoy the literary experience and benefit from economic lessons that sink in because they are presented through stories involving characters with whom children can relate Concentrated Investing Allen C. Benello, Michael van Biema, Tobias E. Carlisle, 2016-04-25 Discover the secrets of the world's top concentrated value investors Concentrated Investing Strategies of the World's Greatest Concentrated Value Investors chronicles the virtually unknown but wildly successful value investors who have regularly and spectacularly blown away the results of even the world's top fund managers Sharing the insights of these top value investors expert authors Allen Benello Michael van Biema and Tobias Carlisle unveil the strategies that make concentrated value investing incredibly profitable while at the same time showing how to mitigate risk over time Highlighting the history and approaches of four top value investors the authors tell the fascinating story of the investors who dare to tread where few others have and the wildly successful track records that have resulted Turning the notion of diversification on its head concentrated value investors pick a small group of undervalued stocks and hold onto them through even the lean years The approach has been championed by Warren Buffett the best known value investor of our time but a small group of lesser known investors has also used this approach to achieve outstanding returns Discover the success of Lou Simpson a former GEICO investment manager and eventual successor to Warren Buffett at Berkshire Hathaway Read about Kristian Siem

described as Norway's Warren Buffett and the success he has had at Siem Industries Concentrated Investing will quickly have you rethinking the conventional wisdom related to diversification and learning from the top concentrated value investors the world has never heard of
