the story of a generation disqualified in the eyes of society Misunderstood Misinformed These misfits wander the world missing both a plan and a purpose never realizing that their destiny is divine But it s not just the story of this generation it s the condition of us all At some point every person has felt disconnected unqualified and alone But there is good news Your God designed destiny is not controlled by your background or social or economic status It is unlocked through secret intimacy with the creator of your future That s where misfits become kings Mark Casto helps you gain a new perspective on your out of place life Learn how to discard the misfit pieces and fill that void with identity and purpose found in God s presence You will see how God can turn irrelevance into royalty and how rejection can lead to a coronation There is a plan You have a destiny that was designed just for you The King's Regulations and Orders for the Army. 1912 Great Britain.
