

## Paragraph #2 Argument Category listed FIRST in Thesis

1. Topic sentences to introduce topic of the paragraph
  - a. EC: Trade changed local economies through the establishment of standardized commercial practices.
2. Explain & make your argument using **specific** factual information / key concepts. This can be trickier since you do not have documents to include, but it is easy IF you are familiar with the content!
  - a. EC: The Mongols early into the establishment of their empire, began to continue the Han Chinese practice of the tributary system to encourage merchants to continue trading in the region. With the already well established trade network of the Silk Road, the Mongols began to use the foundation to improve economic practices. Under the stability of the Mongolian Empire, the Mongols were able to create a system of standardized currency to promote more consistent trade. As merchants came into the region they would exchange their foreign currency at banking houses to receive a bill of exchange.
3. Conclusion sentence to transition to next paragraph.
  - a. EC: This standardized use of currency allowed for a profitable exchange of goods between merchants of diverse regions and positively impacted the economies along the trade route by allowing for consistency in commercial & political practices.
