Towards a Uniform Approach to Confidentiality of International Commercial Arbitration Elza

Reymond-Eniaeva,2019-06-11 The book deals with confidentiality as one of the most controversial issues in international commercial arbitration On the one hand it is widely recognized that confidentiality is an important advantage of arbitration which contributes to its attractiveness On the other hand there is no uniform regulation in national legislations arbitration rules and other relevant sources as to the scope or even to the existence of a duty of confidentiality A uniform approach to confidentiality of international commercial arbitration is possible The best way to achieve it would be through harmonization of national arbitration laws which should impose a confidentiality obligation subject to certain exceptions The purpose of maintaining confidentiality would be to protect primarily the parties from undesirable leaks that can be avoided and to protect arbitration as an institution As to a systematic publication of arbitral awards without identifying the parties identity it is undesirable and should be the goal **Popular Photography** ,2006-04
