- *Beauty Appointments* is an important illustration of how we should use the Web. It is a Web site that I created and regularly visit.
- The appointments are for 2007. However, it looks as if the listing generally went better than I thought it did. I did not see any disappointing items for the "Appointments & Events" section or any available item for 2007.
- The reason for this page reflecting a 2007 date was that I had not yet had the chance to update the listing. However, I have now done so and the page now shows the correct date.
