Mpumalanga September 2014 Memorandum Mpumalanga September 2014 Question Papers:

Can rights cure? The impact of human rights litigation on South Africa's health system Marius

Pieterse, 2014-08-01 Can rights cure At a time when South Africa's ailing and dysfunctional health system is on the verge of radical transformation through the mooted introduction of a National Health Insurance scheme and when there are increasing political tensions between government and the courts this book reflects upon the South African experience of judicially enforcing health related constitutional rights It attempts to understand the ways in which rights based litigation has impacted on the operation and transformation of different features of the health system including the formulation and implementation of health laws and policies processes of health resource allocation and rationing the regulation of health care delivery in the private sector and the promotion and protection of public health

Perspectives on the State Borders in Globalized Africa Yuichi Sasaoka, Aimé Raoul Sumo Tayo, Sayoko Uesu, 2022-02-25

Assessing the different kinds of borders between African nations the contributors present a borderland and trans region approach to understanding the challenges and opportunities facing the peoples of the African continent Africa faces rampant violence terrorism deterioration of water energy food provision influxes of refugees and immigrants and religious hatred under the trends of globalization Solutions for these issues require new perspectives that are not attempted by conventional state building approaches Statehood is limited in many places on the African continent because many states are combined by loose political ties African states borders tend to be regarded as porous and fragile However as the contributors to this volume argue those porous borders can contribute to cultural and socio economic network construction beyond states and the creation of active borderlands by increasing people's mobility contact and trade A must read for scholars of African studies that will also be of great value to academics and students with a broader interest in nationhood globalization and borders
