Mr Mike The Life And Work Of Michael O Donoghue:

Mr. Mike Dennis Perrin (Humorist), 1999 *Mr. Mike* Dennis Perrin, 1998 Michael O Donoghue was a comic genius who once said Making people laugh is the lowest form of comedy His widely influential style of humor spared no one s feelings or sensitivities and often left his audience questioning the nature of comedy itself 39 Years of Short-Term Memory Loss Tom Davis, 2010-03-16 A memoir from the Emmy winning Saturday Night Live writer that is funny spiky and twistedly entertaining Entertainment Weekly 39 Years of Short Term Memory Loss is a seriously funny and irreverent memoir that gives an insider s view of the birth and rise of Saturday Night Live and features laugh out loud stories about some of its greatest personalities Al Franken Lorne Michaels Dan Aykroyd John Belushi Bill Murray Michael O Donoghue and Chris Farley Tom Davis s voice is rich with irony and understatement as he tells tales of discovery triumph and loss with relentless humor His memoir describes not only his experiences on the set of SNL but also his suburban childhood his high school escapades in the sixties his discovery of sex and how he reveled in the hippie culture and psychoactive drugs from San Francisco to Kathmandu to Burning Man over the last four decades Hysterical lucid and wise 39 Years of Short Term Memory Loss is an unforgettable romp in an era of sex drugs and comedy Though it features some lurid and hysterical SNL stories Davis s memoir is less a backstage expose than a winning coming of age story featuring a funny Midwestern kid following his unlikely dream to the top Publishers Weekly starred review **Mother Jones Magazine** , 1998-09 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues *American Countercultures: An Encyclopedia of Nonconformists, Alternative Lifestyles, and Radical Ideas in U.S. History* Gina Misiroglu, 2015-03-26 Counterculture while commonly used to describe youth oriented movements during the 1960s refers to any attempt to challenge or change conventional values and practices or the dominant lifestyles of the day This fascinating three volume set explores these movements in America from colonial times to the present in colorful detail American Countercultures is the first reference work to examine the impact of countercultural movements on American social history It highlights the writings recordings and visual works produced by these movements to educate inspire and incite action in all eras of the nation s history A Z entries provide a wealth of information on personalities places events concepts beliefs groups and practices The set includes numerous illustrations a topic finder primary source documents a bibliography and a filmography and an index *Radical Dreams* Elliott H. King, Abigail Susik, 2022-03-17 Surrealism is widely thought of as an artistic movement that flourished in Europe between the two world wars However during the 1960s 70s and 80s diverse radical affinity groups underground subcultures and student protest movements proclaimed their connections to surrealism Radical Dreams argues that surrealism was more than an avant garde art movement it was a living current of anti authoritarian resistance Featuring perspectives from scholars across the humanities and distinctively from contemporary surrealist practitioners this volume examines surrealism s role in postwar oppositional cultures It

demonstrates how surrealism's committed engagement extends beyond the parameters of an artistic style or historical period with chapters devoted to Afrosurrealism, Ted Joans, punk, the Situationist International, the student protests of May 68 and other topics. Privileging interdisciplinary, transhistorical and material culture approaches, contributors address surrealism's interaction with New Left politics, protest movements, the sexual revolution, psychedelia and other subcultural trends around the globe. A revelatory work, *Radical Dreams* definitively shows that the surrealist movement was synonymous with cultural and political radicalism. It will be especially valuable to those interested in the avant garde, contemporary art and radical social movements. In addition to the editors, the contributors to this volume include Mikkel Bolt Rasmussen, Jonathan P Eburne, David Hopkins, Claire Howard, Michael L. Wy, Alyce Mahon, Gavin Parkinson, Gregory Pierrot, Penelope Rosemont, Ron Sakolsky, Marie Arleth Skov, Ryan Standfest and Sandra Zalman.
