Far Eastern Economic Review ,2000 **Polemics and Provocations** Paul Gilk,2010-06-01 In the twelfth century an Italian monk named Joachim caught the attention of the Christian West by announcing the Three Ages of the World Joachim arrived at his formulation by a meshing of the Christian Trinity with the Old and New Testaments proclaiming in sequence the Age of the Father the Age of the Son and the Age of the Holy Spirit In the early modern period however archaeologists uncovered the remains of an agrarian village social stratum that predates the rise of civilization The divinity of this period was the Mother Goddess a divinity that civilized monotheism with its strict Father God steadily and severely repressed Paul Gilk has modified Joachim s Three Ages revelation by placing this newly discovered Age of the Mother at the beginning of Joachim s sequence But it s obvious that Mother Father Son and Holy Spirit are not psychologically coherent or linguistically consistent The only way to make semantic sense of Joachim s enlarged formulation is to recognize the Age of the Holy Spirit as the Age of the Daughter for if there s a Mother a Father and a Son

then the Holy Spirit implicitly and quietly reveals Herself as Daughter With this understanding it s possible to discern the prophetic power and transformative cultural significance of both the contemporary women s movement and the feminine Earth sensibility of the growing ecological outrage Gilk goes on to assert that the radical servanthood and radical stewardship contained within Jesus kingdom of God proclamation is at least in part an attempt to spiritually reconnect with the agrarian village culture of the Mother s Age but it s also a lifting of that Age to a finer spirituality and toward an ethically Green political order The kingdom of God is Green Gilk says and its overarching divinity is the Daughter The Age of the Daughter is Green and is struggling to be born **The Marine Corps Gazette** ,1984 **Black Belt** ,2002-07 The oldest and most respected martial arts title in the industry this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self defense in the world including techniques and strategies In addition Black Belt produces and markets over 75 martial arts oriented books and videos including many about the works of Bruce Lee the best known marital arts figure in the world California.
