Science Foundation

SPRING 2021 - SPRING 2024

COMMON ENTRANCE (CE) 13+ SUBJECT GUIDE FOR FAMILIES: SCIENCE

CE 13+ exams are taken by pupils at the end of their entrance application to senior independent schools for entry into Year 9. Science is one of the compulsory core subjects assessed in CE 13+ exams, being well-trodden and highly valued.

This guide provides an explanation of the CE 13+ Science exam structure, and knowledge and skills you will encounter, and what you should expect. It also contains tips and advice for successful science preparation, including a timeline, and links to further support to help your child throughout their entrance journey with us.

COMMON ENTRANCE (CE) 13+ SCIENCE EXAM STRUCTURE

The CE 13+ Science exam is designed to assess pupils' ability to:

- Recall factual information and demonstrate their knowledge and understanding
- Apply their knowledge to familiar and new contexts, including processes and applications
- Recognise the wider importance of their knowledge and understanding to science and to society

The exam will contain questions about practical techniques and scientific processes, assessing whether the pupils can:

- Recall descriptions and measurements with appropriate precision
- Analyse, interpret, explain and evaluate a scientific method
- Complete a results table and draw conclusions from the results

A maximum of 20% of the marks in each paper will be based on a 'Thinking and Writing as a Scientist' section of the CE 13+ Science qualification. This will encourage pupils to think about explaining differences between evidence to make evidence, considering the validity and reliability of results and identifying problems in experimental design.

The exam papers will use a variety of 'question words' which indicate the type of response to expect from the pupils at the exam.

COMMON ENTRANCE (CE) 13+ SCIENCE

The CE 13+ Science exam can be taken at either **Preparation or Foundation**. The Foundation can bring slightly more academic questions in comparison to Preps. Your child's school should tell you which route the decision after discussing it with prospective senior schools and providing their entry data.
