The background of the slide is a composite image. The upper portion shows a deep space scene with a black background filled with numerous small white stars. Several large, diffuse, reddish-pink nebulae or galaxy clusters are visible. In the lower right, a bright, detailed spiral galaxy with a yellowish-white core and blue-tinted arms is prominent. The lower portion of the image shows a dark blue, slightly rippled surface, likely representing a body of water at night, which meets the cosmic scene at a horizontal horizon line.
