Caplan,Ann Johns,2019-04-26 This volume was written to make the case for changes in second language writing practices away from the five paragraph essay and toward purposeful meaningful writing instruction As the volume editors say If you have already rejected the five paragraph essay we offer validation and classroom tested alternatives If you are new to teaching L2 writing we introduce critical issues you will need to consider as you plan your lessons and as you consider review the textbooks and handbooks that continue to promote the teaching of the five paragraph essay If you need ammunition to present to colleagues and administrators we present theory research and pedagogy that will benefit students from elementary to graduate school If you are skeptical about our claims we invite you to review the research presented here

and consider what your students could do beyond writing a five paragraph essay if you enacted these changes in practice Part 1 discusses what the five paragraph essay is not it is not a very old established form of writing it is not a genre and it is not universal Part 2 looks at writing practices to show the essay s ineffectiveness in elementary schools secondary schools first year writing classes university writing courses undergraduate discipline courses and graduate school Part 3 looks beyond the classroom at testing At the end of each chapter the authors all well known in the field of second language writing suggest changes to teaching practices based on their theoretical approach and classroom experience The book closes by reviewing some of the major questions raised in the book by exploring which questions have been left unanswered and by offering suggestions for teachers who want to move away from the five paragraph essay An assignment sequence for genre aware writing instruction is included

**Beyond the Five Paragraph Essay** Kimberly Campbell, Kristi Latimer, 2023-10-10 Love it or hate it the five paragraph essay is perhaps the most frequently taught form of writing in classrooms of yesterday and today But have you ever actually seen five paragraph essays outside of school walls Have you ever found it in business writing journalism nonfiction or any other genres that exist in the real world Kimberly Hill Campbell and Kristi Latimer reviewed the research on the effectiveness of the form as a teaching tool and discovered that the research does not support the five paragraph formula In fact research shows that the formula restricts creativity emphasizes structure rather than content does not improve standardized test scores inadequately prepares students for college writing and results in vapid writing In *Beyond the Five Paragraph Essay* Kimberly and Kristi show you how to reclaim the literary essay and create a program that encourages thoughtful writing in response to literature They provide numerous strategies that stimulate student thinking value unique insight and encourage lively personal writing including the following Close reading which is the basis for writing about literature Low stakes writing options that support students thinking as they read Collaboration in support of discussion debate and organizational structures that support writing as exploration A focus on students writing process as foundational to content development and structure The use of model texts to write in the form of the literature students are reading and analyzing The goal of reading and writing about literature is to push and challenge our students thinking We want students to know that their writing can convey something important a unique view to share defend prove delight discover and inspire If we want our students to be more engaged skilled writers we need to move beyond the five paragraph essay
