The Bible Came from Arabia 01-01-2012, 00000000 0000 Kamal Salibi reveals startling linguistic evidence which controversially suggests that Judaism originated not in Palestine but in west Arabia Whilst looking at the gazetteer of Saudi place names he noticed a remarkable concentration of Biblical place names in an area of 600km long by 200km wide the region of Asir Ancient Hebrew like Arabic was written without vowels Salibi believes that scholars of the sixth century might have added the vowels wrongly when standardizing texts and so he went

back to the original unvowelled Old Testament to prove his theory and it did The geography of Palestine has never corresponded in any way to the apparently specific stories on the Bible Salibi s research authenticates the events as history for the first time but within an Arabian setting This book has caused a predictable storm amongst academics and politicians The issue is of such importance that everyone should read the evidence first hand *Reports of City Officers of Newark, N.J.* Newark (N.J.),1905 *The Dinosaur Knights* Victor Milán,2024-03-26 Paradise is a sprawling diverse often cruel world There are humans on Paradise but dinosaurs predominate wildlife monsters beasts of burden and of war Armored knights ride dinosaurs to battle legions of war trained Triceratops and their upstart peasant crews Karyl Bogomirsky is one such knight who has chosen to rally those who seek a way from the path of war and madness The fact that the Empire has announced a religious crusade against this peaceful kingdom the people who just wish to live in peace anathema and they all are to be converted or destroyed doesn t help him one bit Things really turn to mud when the dreaded Grey Angels fabled ancient weapons of the Gods who created Paradise in the first place come on the scene after almost a millennia Everyone thought that they were fables used to scare children They are very much real And they have come to rid the world of sin including all the humans who manifest those vices THE DINOSAUR KNIGHTS is the second in Victor Milan s lush exotic tale about knights Knights riding dinosaurs The Dinosaur Lords Series 1 The Dinosaur Lords 2 The Dinosaur Knights 3 The Dinosaur Princess At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **A to Zoo** Rebecca L. result of many varied reasons hordes of children found themselves living on the streets of the cities The British Government in a valiant attempt to help these lost souls entered into an agreement with the Canadian Government resulting in large numbers of British children emigrating to Canada in the new world These were to become known as the British Home Children because they largely started out in a philanthropic home Some even migrated through other means as will be seen in the case of John Buchan a significant character in this novel The authors determined that the wealth of books presently available did not truly reflect the reality of the situation to which these children were subjected Through this novel they hope to generate a greater interest in the children who were to play a large part in forming the demographic of an emerging nation In Ontario alone 1 in 10 are believed to be descendants of these children

Pistols and Politics Samuel C. Hyde, Jr.,2018-06-16 In Pistols and Politics Samuel C Hyde Jr reveals the reasons behind the remarkable levels of violence in Louisiana s Florida parishes in the nineteenth century This updated and expanded edition deftly brings the analysis forward to account for the continuation of violence and mayhem in the region in the early twentieth century Numerous pockets of small communities formed in the nineteenth century South with cultures and values independent from those of the dominant planter class As Hyde shows one such area was the Florida parishes of southeastern Louisiana where peculiar conditions combined to create an enclave of white yeomen and where in the years after the Civil War levels of conflict escalated to a state of chronic anarchy His careful study of a society that degenerated into utter chaos illuminates the factors that allowed these conditions to arise and triumph Additional material reveals the ongoing impact of a culture riddled with suspicion and bitterness well into the Jim Crow era

Plain Folk's Fight Mark V. Wetherington,2011-01-20 In an examination of the effects of the Civil War on the rural Southern home front Mark V Wetherington looks closely at the experiences of white plain folk mostly yeoman farmers and craftspeople in the wiregrass region of southern Georgia before during and after the war Although previous scholars have argued that common people in the South fought the battles of the region s elites Wetherington contends that the plain folk in this Georgia region fought for their own self interest Plain folk whose communities were outside areas in which slaves were the majority of the population feared black emancipation would allow former slaves to move from cotton plantations to subsistence areas like their piney woods communities Thus they favored secession defended their way of life by fighting in the Confederate army and kept the antebellum patriarchy intact in their home communities Unable by late 1864 to sustain a two front war in Virginia and at home surviving veterans took their fight to the local political arena where they used paramilitary tactics and ritual violence to defeat freedpeople and their white Republican allies preserving a white patriarchy
