Follow The Stars Home Luanne Rice:

Follow the Stars Home Luanne Rice, 2001-01-02 Acclaimed novelist Luanne Rice touches the deepest most tender corners of the heart Tami Hoag author of A Thin Dark Line Her stories remind us how precious and fragile life can be and that we must risk our hearts every day to know happiness Follow the Stars Home is just such a novel a story of poignancy and heartbreak grace and courage Being a good mother is never simple each day brings new choices and challenges For Dianne Robbins being a devoted single mother has resulted in her greatest joy and her darkest hours Weeks before her daughter was born she and her husband Tim McIntosh received the news every parent fears Tim had not reckoned on their child being anything less than perfect and abruptly fled to a solitary existence on the sea leaving Dianne with a newborn almost alone It was Tim's brother Alan the town pediatrician who stood by Dianne and her exceptional daughter Throughout years of waiting watching and caring Alan hid his love for his brother's wife But one of the many hard choices Dianne has made is to close her heart toward any man especially one named McIntosh It will take a very special twelve year old to remind them all that love comes in many forms and can be received with as much grace as it is given As lyrical and moving as the poetry of nature Follow the Stars Home is a miracle of storytelling that will take your breath away If words alone can dare us to confront our fears and to choose joy over sorrow then Luanne Rice's magnificent novel is a benediction and a call to celebrate our lives

Follow the Stars Home Luanne Rice, 2011 Married young to Tim McIntosh a passionate and charismatic fisherman with a troubled heart Dianne Robbins expects a future full of happiness security and love But when tests reveal that their unborn baby is severely disabled Tim sails off for calmer waters Faced with the responsibilities of raising her daughter Julia Dianne finds support in Tim's brother Alan and her own mother Lucinda
