For Ministers About To Start Or About To Give Up:

How to Start a Prayer Ministry Nicole Haye, 2018-04-25 The calling to start a prayer ministry is often a daunting one for many. Let's face it, there are not very many places that one can go to find out how to do this. There are many things involved in building a prayer ministry. It is important to remember that while spiritual gifts are essential, there are practical steps needed to grow a ministry on a national and international level. Such as government regulations, policies, and business strategies that need to be employed to operate and maintain success. This book was written to help you navigate not only through the spiritual aspects but the practical as well. Prof. Izhar, 2015-08-09 *Josh McDowell's Youth Ministry Handbook* Zondervan, 2000-10-10 Drawing on the wisdom of insightful leaders around the country, Josh McDowell's Youth Ministry Handbook equips youth workers to help kids connect with God and with their parents, their peers, and a world in need of Christ. Featuring articles from Dawson McAllister, Barry St. Clair, Jim Burns, Tony Campolo, Al Menconi, John Maxwell, George Barna, and others, this is an invaluable leadership resource with practical, useful ideas for today's youth workers.

The Pastor in a Secular Age (Ministry in a Secular Age Book #2) Andrew Root, 2019-06-18 In *Faith Formation in a Secular Age*, the first book in his *Ministry in a Secular Age* trilogy, Andrew Root offered an alternative take on the issue of youth drifting away from the church and articulated how faith can be formed in our secular age. In *The Pastor in a Secular Age*, Root explores how this secular age has impacted the identity and practice of the pastor, obscuring his or her core vocation to call and assist others into the experience of ministry. Using examples of pastors throughout history, from Augustine and Jonathan Edwards to Martin Luther King Jr. and Nadia Bolz-Weber, Root shows how pastors have both perpetuated and responded to our secular age. Root turns to Old Testament texts and to the theology of Robert Jenson to explain how pastors can regain the important role of attending to people's experiences of divine action, offering a new vision for pastoral ministry today.

Relational Children's Ministry Dan Lovaglia, 2016-04-05 Children's ministry has the power to change the lives of kids and families. Unfortunately, it's not always clear that the work a person does with kids is really making a lasting difference. Ask children's ministry leaders and kid influencers if they are making the impact on children's lives as they had hoped, and most likely the responses will be mixed. And for good reason: Research over the past decade has revealed an alarming lack of long-term growth in the faith community as children progress through student ministries into adulthood. Clearly, something needs to change. *Relational Children's Ministry* seeks to reverse this trend by equipping children's ministry leaders with practical tools to disrupt the status quo approach to discipleship with children and realign their ministries for greater long-term impact. Ministry leaders will learn how to relate intentionally to kids and families by putting five discipleship invitations modeled by Jesus into practice. Explore practical approaches to realign their children's ministry for a new trajectory by hitting three reset buttons to ensure long-term discipleship is embedded. Encounter examples of disruptive disciple makers in action and learn key principles that can be translated into their own ministry context.

Children s ministry leaders will receive practical training to refocus their children s ministry along with time tested tools to personally recommit to lifelong discipleship Kid influencers can become a disciple making community that redirects the current trajectory for this and future generations
