For the Love of Jack Susan Sanders,2017-04-19 For the Love of Jack How to Love a Jack Russell After the writer and her husband lost both of their dogs within a year of each other they were both hesitant to bring another one into their home The heartache of saying goodbye was just too much pain especially for Jim For everyone who s shared their home with a dog knows the compassion and endearment we feel for them and the loss of them can seem unbearable While taking a month off from work and responsibilities the couple traveled to Europe with two close friends to engulf themselves in an adventurous journey to celebrate life While on a wonderful trek of exploring and remembrances the author realizes her life is not complete without a dog by her side The overseas vacation brought past images back to her and it was then she knew she had to bring her husband on board with her insatiable need for sharing their home once again with a canine companion After falling in love with the many Jack Russells they were witness to and some they personally encountered the author made up her mind this

was to be the breed they would seek out and welcome into their home Sharing their life with two dogs at a time had always worked well so the decision was made to do the same again The excitement and newness of a Jack Russell was one neither was prepared for All the previous dogs they had shared their life with were relatively mild and endearingly lazy The journey of bringing two nine week old Jack Russell puppies home and the adventures the owners would encounter were lessons in patience and captivating endearment The transformation of sentiment from raucous puppyhood to revering adult has made it all worthwhile This has been a never ending lesson in love **For the Love of Katie** Erica Lucke Dean,2017-04-18 **For The Love of Mac** Sandra Reed,2012-10 *For the Love of Life* Erich Fromm,2024-04-16 This poignant philosophy about the human capacity for love in the face of tragedy from the New York Times bestselling author is as relevant today as it was when it was first broadcast Transcribed from a series of recorded conversations streamed over German public radio in 1970 the profound ideas and thoughts collected in this volume represent a lifetime of the renowned psychoanalyst and social philosopher s explorations into human emotion and behavior throughout the twentieth century Insightful and provocative Erich Fromm meditates on the preoccupations that drive human action or inaction interweaving related ideas from such profound thinkers as Sigmund Freud Albert Camus and Karl Marx Here Fromm recognizes the links between rising contemptuous boredom and overwhelming overabundance He unravels the confusing mysteries of religious doctrines by examining the causes and motives behind our aggressive tendencies and revealing how dreams connect us all as a universal language Fromm s perspective offers a vivid portrait of our ever evolving social history and the difficulty of experiencing personal growth in a world driven by manufactured needs Despite all of modern life s trials *For the Love of Life* celebrates Fromm s belief in the human spirit to rise above tragedy and trauma through the bonds of family friendship and the transcendent power of love Includes a preface by Hans J rgen Schultz **For The Love of Family** Amanda J.
