

The background image is a dramatic, apocalyptic landscape. In the upper half, a city skyline is visible against a sky filled with dark, swirling clouds and intense orange and yellow flames, suggesting a city on fire. In the lower half, a large, dense crowd of people is gathered on a rocky, uneven terrain, looking towards the burning city. The overall tone is one of urgency and impending doom.

For The Time Is Near:

The Time Is Near Robb Moser, 2017-12-14 Jesus said in the great commission of Matthew 28:16-20. But the eleven disciples proceeded to Galilee to the mountain which Jesus had designated. When they saw Him they worshiped Him but some were doubtful. And Jesus came up and spoke to them saying, all authority has been given to Me in heaven and on earth. Go therefore and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit, teaching them to observe all that I commanded you; and lo I am with you always even to the end of the age. The end of the age in this passage means the end of the church age; the church has been on the earth for 2,000 years. He who has an ear, let him hear: the time is near. I wrote this book *The Time Is Near* about the book of Revelation in the Bible. Revelation is the last book in the Word of God and gives the reader an inside look at the things to come at the end. The revelation of Jesus Christ is not a revelation of man. Many inside and outside the church have tried to explain it. Most believers and unbelievers have ignored it. It is important to keep in mind that the Bible is not a complex book as a whole; therefore the book of Revelation should not be viewed as too difficult to understand. The text of Scripture used in this book is paraphrased from the King James Version (KJV) for reader clarity and quoted New American Standard Bible (NASB) for cross reference. Both the KJV and NASB are considered two of the most literal translations of the original Hebrew and Greek texts. God sent this final message to explain the things at the end of the church age. The book is divided into three parts: the past, the present, and the future. Although there are abstract verses, the symbolic language always represents a reality behind the passage. The word Revelation means uncover. It brings to light. Jesus Christ reveals Himself to man. If you keep this in mind, the mystery of Revelation is really no mystery at all. What was not known about God can be known. As we work our way through the Scripture, I will keep the focus on the literal interpretation of text. Because our sinful nature wants to deny the revealed truth of God, my goal is not to read in between the lines. I think the words speak for themselves. We are all guilty of taking the words of others out of context, so let's not do that with the words of God either. Remember, the value of the text is found when it makes sense. Sometimes what is true is hard to accept, but it is valuable to know. For example, we all die. Revelation is simple to understand when we keep it simple and avoid overthinking it. I have included some famous names inside and outside the church. Names known, I did this on purpose. I didn't do it to be mean. I didn't do it to hurt the feeling of those that follow them. Read and hear this important Bible verse. Paul said to the church in Ephesus to be imitators of God in Ephesians 5:11: Do not participate in the unfruitful deeds of darkness, but instead, even expose them. So I name names based on the need to expose false prophets, false teachers, and false religions. I've laid the ground work regarding the background of this book. Let's get started.
