

Objectives of the Individual Reparations Program

The Individual Reparations Program (the *Program*) is intended to provide appropriate support and services to women who have been the subject of sexual violence committed by a current or former employee of the Porgera Joint Venture (the *PJV*) while on duty, whether the assault took place at the mine or elsewhere.

Support programs and services will be chosen in consultation with the affected women, to help meet their specific needs. A key objective of the Program is to ensure the welfare and safety of those women. The objectives of the Program are set out more fully in the document 'Olgeta Meri Ikat Raits' (All Women Have Rights), in Attachment 4. The Program is intended to operate with other aspects of the Remediation Framework described in that document, including community level initiatives, and Papua New Guinea public policy initiatives.
