Folkstories In Kikuyu

Roger Abrahams

Folkstories In Kikuyu:

African Folktales Roger Abrahams, 2011-08-03 The deep forest and broad savannah the campsites kraals and villages from this immense area south of the Sahara Desert the distinguished American folklorist Roger D Abrahams has selected ninety five tales that suggest both the diversity and the interconnectedness of the people who live there The storytellers weave imaginative myths of creation and tales of epic deeds chilling ghost stories and ribald tales of mischief and magic in the animal and human realms Abrahams renders these stories in a narrative voice that reverberates with the rhythms of tribal song and dance and the emotional language of universal concerns With black and white drawings throughout Part of the Pantheon Fairy Tale and Folklore Library **Catalog of Folklore, Folklife, and Folk Songs** Cleveland Public Library. John G. White Department, 1978 Folktales of Mayotte, an African Island Lee Haring, 2023-07-13 The book uncovers the versatility and literary skills of oral narrators in a small African island Relying on the researches of three French ethnographers who interviewed storytellers in the 1970s 80s Lee Haring shows a once colonised people using verbal art to preserve ancient values in the postcolonial world when the island of Mayotte was transforming itself from a neglected colony to an overseas department of France The author s innovation is to read ethnographic researches as play scripts to see printed folktales as accounts of live performances One storyteller after another comments symbolically on what it is like to be a formerly colonised population Storytelling women in particular combine diverse plots and characters to create traditional sounding stories which could not have been predicted from the African Malagasy Indian and European traditions coexisting in Mayotte Haring s account shows them to be particularly skilled at irony and ambiguity conveying both submissive and rebellious attitudes in their tales He makes Mayotte storytelling accessible to a new English speaking audience and demonstrates that traditional storytellers in those years were preserving but also critiquing their inherited social order in a changing world Their creative intentions cultural influences and widely different narrative styles constitute Mayotte s system of the arts of the word Literary specialists folklore enthusiasts and people who like reading stories will find much to appreciate in this engaging and sophisticated book **Kikuyu Folktales** Rose Mwangi, 1982 *Storytelling* Josepha Sherman, 2015-03-26 Storytelling is an ancient practice known in all civilizations throughout history Characters tales techniques oral traditions motifs and tale types transcend individual cultures elements and names change but the stories are remarkably similar with each rendition highlighting the values and concerns of the host culture Examining the stories and the oral traditions associated with different cultures offers a unique view of practices and traditions Storytelling An Encyclopedia of Mythology and Folklore brings past and present cultures of the world to life through their stories oral traditions and performance styles It combines folklore and mythology traditional arts history literature and festivals to present an overview of world cultures through their liveliest and most fascinating mode of expression This appealing resource includes specific storytelling techniques as well as retellings of stories from various cultures and traditions

African-American Folktales for Young Readers Richard Young, Judy Dockrey Young, 1993 A collection of folktales from the African American oral tradition presented as they have been told by professional black storytellers from Rhode Island to Oklahoma

Reading Old Books Peter Mack, 2021-11-23 A wide ranging exploration of the creative power of literary tradition from Chaucer to the present In literary and cultural studies tradition is a word everyone uses but few address critically In *Reading Old Books* Peter Mack offers a wide ranging exploration of the creative power of literary tradition from the middle ages to the twenty first century revealing in new ways how it helps writers and readers make new works and meanings *Reading Old Books* argues that the best way to understand tradition is by examining the moments when a writer takes up an old text and writes something new out of a dialogue with that text and the promptings of the present situation The book examines Petrarch as a user instigator and victim of tradition It shows how Chaucer became the first great English writer by translating and adapting a minor poem by Boccaccio It investigates how Ariosto Tasso and Spenser made new epic meanings by playing with assumptions episodes and phrases translated from their predecessors It analyzes how the Victorian novelist Elizabeth Gaskell drew on tradition to address the new problem of urban deprivation in *Mary Barton* And finally it looks at how the Kenyan writer Ngũgĩ wa Thiong'o in his 2004 novel *Wizard of the Crow* reflects on biblical English literary and African traditions Drawing on key theorists critics historians and sociologists and stressing the international character of literary tradition *Reading Old Books* illuminates the not entirely free choices readers and writers make to create meaning in collaboration and competition with their models

Keystone Folklore, 1974

Hansberry's Drama Steven R. Carter, 1991 This insightful study opens with an overview of Hansberry's cultural social political and philosophical views and their relations to her artistic goals

Fearless Girls, Wise Women & Beloved Sisters Kathleen Ragan,2025-04-25 One hundred great folk tales and fairy tales from all over the world about strong smart brave heroines Dismayed by the predominance of male protagonists in her daughters books Kathleen Ragan set out to collect the stories of our forgotten heroines Gathered from around the world from regions as diverse as sub Saharan Africa and Western Europe from North and South American Indian cultures and New World settlers from Asia and the Middle East these 100 folktales celebrate strong female heroines Fearless Girls Wise Women and Beloved Sisters is for all women who are searching to define who they are to redefine the world and shape their collective sensibility It is for men who want to know more about what it means to be a woman It is for our daughters and our sons so that they can learn to value all kinds of courage courage in battle and the courage of love It is for all of us to help build a more just vision of woman **Wishbone** Laura C. Jarmon,2003 Jarmon English U of Tennessee Martin studies the

history and attempts to trace the origins of several prevalent themes in African American folklore using folk tale collections from the US and Africa The themes link subjects with symbolic content such as tar baby with binding and transcription and the skull with presence and propriety An introduction presents Jarmon s methodology her thesis is that these narratives are a type of modal discourse that is symbolized by the motifs of the wishbone and crossroads which she sees as emblematic of the concept of margins and reflective of a mood of indeterminacy Annotation c 2003 Book News Inc Portland OR booknews com

Folklore Joseph Jacobs, Alfred Trübner Nutt, Arthur Robinson Wright, William Crooke, 1913 Most vols for 1890 contain list of members of the Folk lore Society **Kenya** Shadrack W. Nasong'o, Godwin R. Murunga, 2013-07-18 The path towards democracy in Kenya has been long and often tortuous Though it has been trumpeted as a goal for decades democratic government has never been fully realised largely as a result of the authoritarian excesses of the Kenyatta Moi and Kibaki regimes This uniquely comprehensive study of Kenya s political trajectory shows how the struggle for democracy has been waged in civil society through opposition parties and amongst traditionally marginalised groups like women and the young It also considers the remaining impediments to democratisation in the form of a powerful police force and damaging structural adjustment policies Thus the authors argue democratisation in Kenya is a laborious and non linear process Kenyans recent electoral successes the book concludes have empowered them and reinvigorated the prospects for democracy heralding a more autonomous and peaceful twenty first century Encyclopedia of Post-Colonial Literatures in English Eugene Benson, L.W. Conolly, 2004-11-30 Post Colonial Literatures in English together with English Literature and American Literature form one of the three major groupings of literature in English and as such are widely studied around the world Their significance derives from the richness and variety of experience which they reflect In three volumes this Encyclopedia documents the history and development of this body of work and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide **By the Book** Pamela Paul, 2014-10-28 Sixty five of the world s leading writers open up about the books and authors that have meant the most to them Every Sunday readers of The New York Times Book Review turn with anticipation to see which novelist historian short story writer or artist will be the subject of the popular By the Book feature These wide ranging interviews are conducted by Pamela Paul the editor of the Book Review and here she brings together sixty five of the most intriguing and fascinating exchanges featuring personalities as varied as David Sedaris Hilary Mantel Michael Chabon Khaled Hosseini Anne Lamott and James Patterson The questions and answers admit us into the private worlds of these authors as they reflect on their work habits reading preferences inspirations pet peeves and recommendations By the Book contains the full uncut interviews offering a range of experiences and observations that deepens readers understanding of the literary sensibility and the writing process It also features dozens of sidebars that reveal the commonalities and conflicts among the participants

underscoring those influences that are truly universal and those that remain matters of individual taste For the devoted reader *By the Book* is a way to invite sixty five of the most interesting guests into your world It s a book party not to be missed
