For God Country A Creed Novel:

In "God's Country" Dora Higbee, 1889 **God's Country** Samuel Goldman, 2018-02-02 The United States is Israel's closest ally in the world. The fact is undeniable and undeniably controversial, not least because it so often inspires conspiracy theorizing among those who refuse to believe that the special relationship serves America's strategic interests or places the United States on the right side of Israel's enduring conflict with the Palestinians. Some point to the nefarious influence of a powerful Israel lobby within the halls of Congress. Others detect the hand of evangelical Protestants who fervently support Israel for their own theological reasons. The underlying assumption of all such accounts is that America's support for Israel must flow from a mixture of collusion, manipulation, and ideologically driven foolishness. Samuel Goldman proposes another explanation. The political culture of the United States, he argues, has been marked from the very beginning by a Christian theology that views the American nation as deeply implicated in the historical fate of biblical Israel. *God's Country* is the first book to tell the complete story of Christian Zionism in American political and religious thought from the Puritans to 9/11. It identifies three sources of American Christian support for a Jewish state: covenant or the idea of an ongoing relationship between God and the Jewish people; prophecy or biblical predictions of return to The Promised Land; and cultural affinity based on shared values and similar institutions. Combining original research with insights from the work of historians of American religion, Goldman crafts a provocative narrative that chronicles Americans' attachment to the State of Israel.

God's Country, America's Heartcry Kay Dee Lilley, 2010-06 I, Kay Dee Lilley, am a concerned wife, mother, citizen, and an American Patriot at heart. My heart's desire is for the truth to be told to all Americans that America is God's Country, and our foundation is His heart cry to spread His liberties throughout our nation. My book will show through our American symbols, currency, monuments, Founding Fathers, Presidents, and many quotes that America is a Christian nation built on Judeo-Christian Principles. Henceforth, the name of this book is *God's Country America's Heart Cry*. God is counting on us to arise, stand up, speak up, to use our voice to declare His choice to restore the foundation of America. America's future depends on us. We, the People, to come together in agreement to use our God-given liberties to defend our freedoms. Will you accept the challenge? **James Oliver Curwood** Judith A. Eldridge, 1993 Now he would become an avid conservationist in the early days of that movement, a change that would lead indirectly to his death 13 years later. *God, Country and Tattoos: A cry for Freedom* Dennis E. Dwyer, 2011 Publisher Marketing From Dancing with the Devil to Living for the Lord. He served in the American Armed Forces. Now a soldier of the cross and fights still to turn America back to God.
