dictated what people should believe Today many of these same religious misconceptions continue to mislead people Wealthy preachers on television claim to spread God s word while building personal empires worth hundreds of millions of dollars They preach about the Second Coming of Christ yet their actions prove they are more invested in luxury than salvation Meanwhile true suffering is ignored governments turn a blind eye to human trafficking and institutions built on faith cover up heinous crimes Among the most persecuted are LGBTQ individuals who have faced centuries of discrimination and abuse at the hands of religious and political leaders who claim moral superiority Heard You d Been Waiting for a Messiah is more than just an expos on corruption in religion it is a call for truth This book challenges the traditional narrative unveiling the reality of how religious institutions have strayed from their intended purpose It questions why modern churches glorify wealth while neglecting the very teachings of Jesus It forces us to confront uncomfortable truths about how faith is used to justify oppression rather than liberation But at its core this book is personal It tells the story of one voice that has been silenced for too long speaking out against deception and injustice It is about breaking the illusion revealing the lies and finally seeing the world as it truly is The truth is here The question is are you ready to hear
