How Television Works N. Chokkan, 2020-05-12 Have you heard the Alladin Story Alladin rubbed a small lamp and out came a genie It had power to bring anything that Alladin asked for Don t you wish for one such genie in your life too After that all you need to do is ask and the very next minute genie will bring it to your hands whatever it may be In fact there is one such genie in your own house But the trick is it can t bring the items you are asking for but it can show them as if they are real Look around are you able to spot that genie Yes I am talking about the Television Just imagine how many great things this little box brings to our eyes Cartoons Movies Games Songs Natural Scenery General Knowledge and much more Just ten years back we didn t have these many television channels There were one or two channels maximum and you had to watch whatever they show But today the technological advancements have brought the entire world in our hands There are

hundreds of channels different kinds of programs all we need do is touch the remote button in our hands But still many people call television as Idiot Box Why Is television really an idiot Or it is making us idiots To solve this mystery we need to understand this wonder device called Television Then you will be able to make a decision on how to make best use of this genie in our drawing room You watch television everyday Now for a change let us read television Join me in this fascinating journey
