is a contribution on the subject of the Belhar Confession The current challenges to the church and theology are discussed Racism is one issue that poses an increasingly huge challenge to South Africa today The book demonstrates what needs to be done extra to deal with the scourge of racism that seems to have percolated through virtually all aspects of our existence and particularly the church today in South Africa e Prof Rothney Tshaka University of South Africa Political Science in South Africa Peter Vale,Pieter Fourie,2016-01-13 In 2013 and in 2014 respectively the South African Association of Political Studies SAAPS and Politikon the South African Journal of Political Studies celebrate their 40th anniversary Also in April 2014 South Africa celebrates twenty years since the advent of the post Apartheid democracy and the birth of the rainbow nation This book provides a timely account of the birth and evolution of South African politics over the past four decades but also of the study of Political Science and International Relations in this country Fourteen political scientists contribute chapters to this volume situating the study of politics within its global context and recounting the development of politics as a field of study at South African universities The fourteen contributions evaluate the state of the discipline s and suggest conclusions that are surprising and in many instances unsettling not only with regards to what and how politics is taught but also how its study has variously gained and lost pertinence for South Africans understanding of their own polity as well as its place in the world The implications are uncomfortable and pose interesting challenges for South African scholarship pedagogy and national self reflection This book was published as a special issue of Politikon **The Faces of Africa: Diversity and Progress** ,1972
