Leadership Hughes 7th Edition:

Leadership Metaphor Explorer Chuck J. Palus, David Magellan Horth, 2012-06 This publication is a comprehensive guide to complement a facilitator's use of the Leadership Metaphor Explorer tool A dynamic interactive tool designed to stimulate creative insightful conversations in and among groups about leadership Leadership Richard L. Hughes, Ginnett, Curphy, 2014-05-01 Leadership Enhancing the Lessons of Experience 8e consists of 16 chapters four of which cover specific leadership skills and qualities covered in each of the book's four sections Hughes Ginnett and Curphy draw upon three different types of literature empirical studies interesting anecdotes stories and findings and leadership skills to create a text that is personally relevant interesting and scholarly The authors unique quest for a careful balancing act of leadership materials helps students apply theory and research to their real life experiences The Seventh Edition has been thoroughly updated in virtually every chapter Leadership Richard Hughes, 2011 Leadership Enhancing the Lessons of Experience 7e consists of 16 chapters four of which cover specific leadership skills and qualities covered in each of the book's four sections Hughes Ginnett and Curphy draw upon three different types of literature empirical studies interesting anecdotes stories and findings and leadership skills to create a text that is personally relevant interesting and scholarly The authors unique quest for a careful balancing act of leadership materials helps students apply theory and research to their real life experiences The Seventh Edition has been Professional Nursing Concepts: Competencies for Quality Leadership Anita Finkelman, 2024-10-15 Professional Nursing Concepts Competencies for Quality Leadership continues its patient centered traditional approach to nursing education in an updated sixth edition Anita Finkelman provides the foundation for pre licensure nursing students to successfully transition from the classroom into practice Grounded in the Institute of Medicine National Academy of Medicine IOM NAM five core competencies for healthcare professionals and the related Quality and Safety for Nursing Education QSEN competencies the content progresses from the basics of the nursing profession and the dynamics of patient care into critical healthcare delivery discussions ranging from health policy and political action to community health and leadership in nursing practice Throughout the updated Sixth Edition students will remain engaged with discussion questions critical thinking activities and Stop and Consider sections that encourage readers to reflect on important chapter topics and concepts Students can further interact with the content in Working Backwards to Develop a Case an in text feature that allows them to creatively apply what they have learned to their own unique case scenarios bringing these foundational concepts to life Above all Professional Nursing Concepts Competencies for Quality Leadership Sixth Edition reminds students that quality patient care is at the heart of the nursing profession **The Ethically Responsible Organization** Ronald R. Sims, 2023-01-01 Today's businesses have an obligation to conduct themselves in an ethical and responsible manner at all times Fortunately many businesses have historically embraced the idea that they can operate in an ethically responsible manner However there are way too many companies that are willing to

cut corners and do whatever it takes to make a profit thus contributing to the vortex of mistrust distrust misinformation disinformation and less than full disclosures as a result of their unethical misconduct This book takes the position that enough is enough and argues that all businesses can and must be ethically responsible no matter its size or whether it operates locally or globally The book describes the features of an ethically responsible e g ethical and socially responsible organization that is committed to always doing the right things which means they are committed to building institutionalizing and sustaining an ethically oriented organizational culture Ethical responsibility means maintaining even improving your bottom line while setting a high bar for high ethical standards AND making a positive contribution to society The book argues that organizations must be attentive to ensuring that the culture has as its core accountability responsibility and learning which means it invests in developing and expecting all of its employees to be fully engaged in making ethical decisions and being ethical leaders The book also discusses what it means to be an ethically responsible global business leader middle manager and lower level employee The Ethically Responsible Organization provides a detailed look at the importance of organizations doing preventive work to avoid ethical falls or scandals and takes the position that if such a fall or scandal occurs then the company should seize the moment and learn from the experience by becoming a learning organization The book also takes the position that an ethically responsible organization is already a learning organization where continuous inquiry diagnosis reflection learning and self correction is the keystone of the way it operates Finally the book offers some ideas on how organizations can reinforce and sustain themselves as ethically responsible businesses today and in the future by taking a strategic approach to ethics that includes constant and consistent ethics training and education for all its employees and partners In the end the purpose of the book is to continue to increase our understanding of why organizations stray from doing the right things and how a focus on being ethically responsible can position companies to avoid or quickly respond to any potential ethical misconduct or find themselves in the list of the years top ethical scandals This book is written for all those who also take the stance that enough is enough when it comes to the headlines of another failure because the organization s leaders would not commit to being ethically responsible and find themselves in the throes of an ethical scandal and unable to recover from it and like Humpty Dumpty all the king's horses and all the king's men the company can't recover from what was a preventable ethical fall
