## FAIRY TALES

There once was a farmer who had some wheat. One day, the wind blew and the wheat fell to the ground. The farmer was sad because he had no wheat. He asked the other animals for help, but none of them did. So, he decided to help the wheat himself.

Then, a little while later, the farmer noticed that the wheat had grown. He was happy because he had wheat again. He asked the other animals for help, but none of them did. So, he decided to help the wheat himself.

Now that the wheat had grown, the farmer was ready to take his wheat to the mill. He asked the other animals for help, but none of them did. So, he decided to help the wheat himself.

He took the wheat to the mill and had it ground into flour. He then used the flour to make bread. He baked the bread and it was delicious. He gave some bread to the other animals and they were happy.

So, the farmer learned that he should help himself. He will help you out and make it into a loaf, and put it in the oven, all by himself.

Soon, the smell of the delicious baking bread spread out and made it into a loaf, and put it in the oven, all by himself.

What it was that smelled so good. "I will help you bread out of the oven and hold them." -
