Mann, 2025-01-15 Old Testament Narratives and Speech Act Theory explores the creative power of words in Old Testament narratives While the most famous example of this phenomenon might involve divine utterances such as Let there be light Gen 1 1 Steven T Mann argues that human characters can also create worlds with their words in an attempt to influence the imaginations and therefore actions of their listeners This study focuses on the performative nature of speeches that are found in several key Old Testament narratives including Genesis 4 1 26 18 16 33 Exodus 1 8 22 32 1 14 Numbers 13 14 2 Samuel 7 1 17 Amos 7 1 6 and Jonah 2 1 10 4 2 3 Within these narratives characters use their words to create competing worlds that clash as they attempt to advance their own agendas The storyteller's portrayal of these narrative worlds invites the audience to incorporate viewpoints of certain characters into their own world *Christian Short Stories, Intrigues, Poems, Phrases and Christian Literature* Charles Brown, 2016-03-28 This book is a MUST read Anyone who care about the greatness of the United States and believe in the resurrection of Jesus the Christ will surely add to their stature by reading this book This book speak to how Jesus Christ

Genesis 1 to 11 John F. MacArthur,2015-12-01 The first eleven chapters of the book of Genesis hold the keys to the beginning but not so much as a history of the world or of the human race but as a history of God's love grace and promise to his creations In this study pastor John MacArthur will guide you through an in depth look at the creation story and some of our earliest interactions with each other and with our Creator From the first murder to the first covenant this study includes close up examinations of Adam Eve Cain Abel and Noah as well as careful considerations of doctrinal themes such as The Fall of Man and Heritage and Family It's from this point that you'll find your footing to understand the rest of the Bible more easily So much happens in these first eleven chapters they need their own study ABOUT THE SERIES The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and author John MacArthur Each guide provides intriguing examinations of the whole of Scripture by examining its parts and incorporates Extensive but straight forward commentary on the text Detailed observations on overriding themes timelines history and context Word and phrase studies to help you unlock the broader meaning and apply it to your life Probing interactive questions with plenty of space to write down your response and thoughts

A Forty-Day Study on Sin, Salvation, and Sanctification Rick Jory,2019-11-06 Sin We don't seem to talk about sin anymore For some it hits too close to home creating a feeling of guilt and unworthiness Others deal with the issue simply by comparing themselves to the worst of the worst or even a beer drinking neighbor next door who doesn't pull all of the weeds from his yard They certainly aren't as bad as this so they remain with their pride and self righteousness intact and unthreatened

The End! From the Beginning, God's Eight Days Albert Hudson,2022-01-06 The End From the Beginning God's Eight Days by Albert Hudson Atonement and Ethics in 1 John

Christopher Armitage,2021-06-17 Christopher Armitage considers previous theological perception of 1 John as a text advocating that God abhors violence contrasted with biblical scholarship analysis that focuses upon the text's birth from hostile theological conflict between insiders and outsiders with immensely hostile rhetoric directed towards antichrists and those who have left the community Armitage argues that a peace oriented reading of 1 John is still viable but questions if the commandment that the community loves each other is intended to include their opponents and whether the text can be of hermeneutic use to advocate non violence and love of one's neighbour This book examines five key words from 1 John hilasmos sfazo anthropoktonos agape and adelphos looking at their background and use in the Old Testament in both Hebrew and the LXX arguing that these central themes presuppose a God whose engagement with the world is not assuaging divine

anger nor ferocious defence of truth at the expense of love but rather peace and avoidance of hatred that inevitably leads to violence and death Armitage concludes that a peacemaking hermeneutic is not only viable but integral to reading the epistle
