Hebrews to Negroes 2: Wake Up Black America! Ronald Dalton Jr, 2015-11-10 THE GREATEST IDENTITY THEFT OF ALL MANKIND HAS HAPPENED WITHOUT THE WORLD EVEN KNOWING IT We all know who the Jews today in the world are They came to Israel in 1948 from Europe almost 2 000 years after the destruction of the 2nd Temple in Jerusalem But who are they The Bible says the Children of Israel would endure Curses forever for not keeping his commandments This is in the Torah First 5 books of the Old Testament The New Testament talks about a Physical Israel and a Spiritual Israel What s the difference We know the Chaldeans claim heritage from the Ancient Chaldeans in the Land of Ur that Abraham lived amongst We know the Greeks claim heritage from the Grecians of old like Alexander the Great We know Arabs today claim heritage from Abraham s son Ishmael What has baffled mankind is the whereabouts of the Biblical Hebrew Israelites aka the Children of Israel In our Bible God laid out clues as to who they were THEN and TODAY but for centuries we have ignored the clues Satan has cleverly used mankind to sweep under the rug the True Identity of the Biblical Hebrew Israelites so that we cannot discover where their descendants are at In Israel and all throughout the world it is a known fact that Modern Jewry only claims to be from the Tribe of Judah Benjamin and Levi No one talks about why these Tribes are

supposedly FOUND while the other Tribes are mysteriously LOST Well in Hebrews to Negroes 2 Wake Up Black America Volume 1 the answer to this question is finally going to be revealed The Bible makes certain things clear that cannot be refuted The Curses of Israel were DIVINE PUNISHMENTS for the Children of Israel for disobeying God s commandments ALL throughout their history in the bible even until the last book of the Old Testament Malachi Deuteronomy 28 16 68 These Curses were going to be ONLY FOR THE ISRAELITES and THEIR CHILDREN FOREVER Deuteronomy 28 46 The Children of Israel DID in fact DISOBEY God s Commandments and ACKNOWLEDGED that they had RECEIVED the Curses Daniel 9 9 14 God promised to one day REGATHER THE DESCENDANTS OF THE CHILDREN OF ISRAEL to their land to enjoy PEACE REST QUIET and NO FEAR Jeremiah 30 10 12 Ezekiel 11 16 17 Isaiah 11 11 12 Isaiah 43 5 7 This has not been the case in Israel since the State of Israel was born in 1948 After the Fall of the Second Temple in Jerusalem in 70 A D the remaining Israelites would be scattered by way of CAPTIVITY into ALL NATIONS and the GENTILES would possess Jerusalem Israel until the second coming of Christ Luke 21 24 28 It is time for the Black America and the World to know the Truth **Black Hebrew Israelites** Michael T. Miller, 2024-03-20 The Black Hebrew Israelite movement claims that African Americans are descendants of the Ancient Israelites and has slowly become a significant force in African American religion This Element provides a general overview of the BHI movement its diverse history ies ideologies and practices The Element shows how different factions and trends have taken the forefront at different periods over its 140 year history leading to the current situation where diverse iterations of the movement exist alongside each other sharing some core concepts while differing widely In particular the questions of how and why BHI has become a potent and attractive movement in recent years are addressed arguing that it fulfils a specific religious need to do with identity and teleology and represents a new and persistent form of Abrahamic religion **The Taxing of Ke'sha Dennis: One Woman's Journey Embracing Serenity, Self, and Spirit** Ke'sha Dennis, 2019-07-22 Fear is the critical enemy but most people are so trained with fear that they create strength without muscles accounts without finances dreams without discipline and constructs without connection In other words people don t believe that they can do it whatever it is They work hard attempting to control and earn what they could simply accept as theirs Meanwhile the real work goes undone This book strips away the blinders placed in your life due to survival You can thrive if you reprogram your mind **White Lies, Black Truth, The Lost Light** Jacie Rowe III, 2020-10-01 White Lies Black Truth The Lost Light By Jacie Rowe III 93% of Black homicide is Black on Black killings 6 000 Blacks killed by other Blacks 2015 in U S From 1976 2005 94% Black Killings were by other Blacks From 1976 2014 is estimated that 198 288 Blacks killed by Blacks on average 5 218 per year Houston Black Toddler killed by stray bullet R I P Jordan Allen Jr 102 Black people shot 14 killed in Chicago over Father s Day weekend June 2020 They talk about the police killing innocent people but they are killing our citizens they are killing each other Amaria 13YO Black girl killed by stray bullet in Chicago R I P Tamara Collier 24 YO Black lady killed by stray bullet R I P 8 YO Mekhi James R I P killed by stray

BESORAH Olufemi Oni, 2020-11-21 The message of the King was hijacked by His enemies and dressed in the garb of abominable religions much in the same way that a woman works yeast into a dough ball and makes them into three portions The three Abrahamic religions of Talmudic Judaism Christianity and Islam all claim to have the message of eternal hope for humanity but a closer examination reveals otherwise In five chapters of sizzling revelations the author takes the reader on a thought provoking journey to rediscover the lost message of the Kingdom unravelling mysteries previously unknown and new depths of insights into the most important event that is yet to come The Restoration of the Kingdom of Heaven There is truth to be told hope to be renewed and judgment to be declared Tables will be shaken secrets will be exposed the hidden will be revealed and dry bones shall rise He who took captive shall be taken captive he who killed with the sword must be killed with the sword Saviors will arise from Mount Tsiyon to judge the mount of Edom Babylon will fall and the Kingdom will be Yahuah's forever America Accept the Truth, Repent, and Save Our Country Dr. Derek Lawrence-Harper, 2023-04-23 God's timing is not our timing but the bible is clear that judgment will come America will be judged for its misdeeds one day It is the author's hope that people will re read the bible and encourage people to read this book to know that the author's goal is to

first save souls and second save our country Ideally we need to be in a financial position to help others To resolve problems in this country we must be honest and accept the truth to move forward Most Americans including the author need all their income to pay bills and have means to enjoy themselves The true minority in America is the rich who do not live paycheck to paycheck but have either generational wealth or maximized their talents to become prosperous Hopefully anyone who became rich did not compromise their morality or abuse misuse or oppress others for their personal gain If so pray that they repent Our country is in trouble as Compromised Christianity Atheism Agnosticism and Satanic influence is on the rise while Bible Believing Christians are declining getting older and are dying off It has been said that those who ignore history repeat history Dr Martin Luther King once stated that truth suppressed to earth shall rise again The author is here to talk about the truth that is rising in our time now *If Black Is a Color, What Is Melanin?* Marian Olivia Heath Griffin,2022-07-13 ABOUT THE BOOK Our nation has taken great pains to cover up the history of the Black man Africans and the significance of Melanin in humans Even our White forefathers politically ran this country from before the Declaration of Independence to this very day the twenty first century When Thomas Jefferson constructed the Declaration of Independence other persons such as John Adams and Benjamin Franklin made several changes Ben Franklin even denoted in his writings the no more Africans should be brought from Africa because Whites were already out numbered in this country All men created equal included only White people since African slaves were brought to this country America only for the labor the slaves could produce as well as their knowledge talents and expertise in building this nation All people are given air to breathe as a gift from God and must value themselves and all others It appears that we will struggle for justice and equality for a lifetime and let a moral voice be heard for generations to come Black Lives Matter and All Lives Matter are a starting point There are many changes coming no situation is perfect but with our faith and willingness to accept each other s talents as gifts from our Creator we will prevail as a whole nation God has his finger print on us He s not pleased with us but He has the power and love to rebrand us in His own image **Betrayal** Charles Jacobs,Avi Goldwasser,2023-05-22 Betrayal loudly rings the alarm for a somnolent American Jewry Read it and wake others Daniel Pipes President of the Middle East Forum If you think it s time for the American Jewish community its organizations and its leadership to have an honest challenging vigorous debate about where we are going and what mistakes we have made then read this important illuminating sometimes depressing but ultimately inspiring book Gil Troy Distinguished Scholar of North American History at McGill University and editor of the three volume set Theodor Herzl Zionist Writings This book perhaps the first devoted to this topic documents the devastating failure of the Jewish establishment including its leaders and major donors to defend and protect American Jews as anti Semitism surges across the country It is a collection of essays by writers who care about the welfare of the Jewish community Some of the essayists are prominent some are local activists engaged in ongoing battles to defend the community Some essays offer analyses others give disturbing in depth accounts of the failures themselves All of them rebuke the Jewish

leaders and institutions who have abandoned their responsibilities While Jewish leaders cling to a utopian belief system which comports with their na ve political ideology the ugly reality their mindset ignores only worsens Betrayed by their leaders the essayists argue American Jews require new strong leadership The book itself is an expanded version of a collection published in the Spring 2022 issue of White Rose Magazine a publication which promotes classical liberalism in the face of political extremism and is named in honor of the anti Nazi White Rose resistance movement Featuring Essays by Jonathan S Tobin Richard A Landes Joshua Block Rebecca Sugar Caroline B Glick Naya Lekht Richard Kronenfeld Bruce D Abramson Thane Rosenbaum Morton A Klein Alan M Dershowitz Rabbi Cary Kozberg M Zuhdi Jasser William A Jacobson Johanna E Markind Rebecca G Schgallis Karen D Hurvitz Joanne Bregman Lauri B Regan Dr Amy Rosenthal Josh Ravitch Henry Srebrnik Ben Poser

To Be a Jew Today Noah Feldman, 2024-03-05 A New York Times Bestseller A leading public intellectual s timely reckoning with how Jews can and should make sense of their tradition and each other What does it mean to be a Jew At a time of worldwide crisis venerable answers to this question have become unsettled In To Be a Jew Today the legal scholar and columnist Noah Feldman draws on a lifelong engagement with his religion to offer a wide ranging interpretation of Judaism in its current varieties How do Jews today understand their relationship to God to Israel and to each other and live their lives accordingly Writing sympathetically but incisively about diverse outlooks Feldman clarifies what s at stake in the choice of how to be a Jew and discusses the shared theology of struggle that Jews engage in as they wrestle with who God is what God wants or whether God exists He shows how the founding of Israel has transformed Judaism itself over

the last century and explores the ongoing consequences of that transformation for all Jews who find the meaning of their Jewishness and their views about Israel intertwined no matter what those views are And he examines the analogies between being Jewish and belonging to a large messy family a family that often makes its members crazy but a family all the same Written with learning empathy and clarity To Be a Jew Today is a critical resource for readers of all faiths **What Is Truth?** DJ Robinson,2022-03-16 In a world filled with conflicting worldviews one often asks the question What is truth D J Robinson asked himself this very question from a young age Join DJ in his journey to Christ as he provides the reader with his reasons for accepting Christianity as the one and only true worldview This work displays the inconsistencies and flaws in other worldviews such as atheism and agnosticism polytheism Judaism Islam Mormonism Jehovah s Witnesses and Hebrew Israelism This work not only serves as a theological and logical refutation of opposing worldviews but also provides historical argumentation This work will supply the unbelieving reader with good reasons to question their worldview and the believing reader with arguments to defend their faith against opposing worldviews Praise the Lord Jesus *The Split* Shaun Rein,2024-10-22 China dominates manufacturing and is the world s largest retail market but for companies outside of China finding ways to do business in the country is increasingly uncertain in the face of rising US China tension combined with China s crackdowns on the tech and education sectors Shaun Rein runs the China Market Research Group and has spent his career helping multinationals understand where the opportunities are in China An American who s lived in Shanghai for 25 years he has long been one of the biggest China bulls He now argues that while China is not a must go destination for all companies and investors there are still many non politically sensitive sectors where long term opportunities can be sought The Split analysis the geo political split between the US and China China s sharp turn towards socialism and how this will cut into fat margins in many sectors It explains why corporations in sectors such as semiconductors and AI should stay clear of China and relocate to other countries like Vietnam India and Mexico Yet principally Rein makes the case that that fears about China s shift are far overblown and that for most sectors it should remain the main growth driver for even the largest companies Expert insights into China s national policy reforms its rising middle class seeking to save and invest and their focus on health and wellness will inform the international strategic decisions for companies around the world in sectors such as finance consumer goods and auto China will soon eclipse the United States as the world s largest economy and companies will lose out if they do not know how to invest in China properly No company has been able to get into China for 3 years Shaun Rein hasn t left He s therefore uniquely positioned to advise now that China is opening up again The Split presents a unique and informed case for why the time is definitely now to capitalize on policy changes and trends in China that will support long term opportunities for your business Hebrews to Negroes Ronald Dalton,2017-07-05 BOOK 4 of the Hebrews to Negroes Collection will blow your mind It is time for the TRUTH to be heard It is also time for the Christian Church to start teaching historically sound Biblical TRUTH not propaganda or lies Never Settle for Less, Always the Best
