The Cabal Alan Refkin,2022-09-13 The Cabal has secretly expanded its grip on world economies governments corporations and other centers of influence for decades Founded by a mysterious person known as the thin man its goal is to create a new world order an authoritarian and borderless world under one government With its members in strategic positions within global technology and social media companies senior government positions and enormous investment funds they've pushed its narrative to billions of users until their beliefs have become mainstream Those within the Cabal don't want to change the world for altruistic or egalitarian reasons Instead they want to establish perpetual global monopolies that would ensure extreme generational wealth while advocating that centralized government control creates greater economic stability ratchets down global tensions and establishes a society of equals Standing in the way of this seemingly unstoppable

juggernaut is Nemesis an ultra secret off the books organization that doesn't follow a rulebook In this latest Matt Moretti Han Li thriller when the Cabal discovers Nemesis is after them it uses its considerable global influence and piles of cash to frame them as terrorists Hunted by several governments including their own and with time running out they must stop the Cabal before it initiates a world unifying event that will forge its global consolidation of power and create a new world order

From Dead Ends to Cold Warriors Peter W.Y. Lee,2021-02-12 After World War II studies examining youth culture on the silver screen start with James Dean But the angst that Dean symbolized anxieties over parents the Establishment and the expectations of future citizen soldiers long predated Rebels without a Cause Historians have largely overlooked how the Great Depression and World War II impacted and shaped the Cold War and youth contributed to the national ideologies of family and freedom From Dead Ends to Cold Warriors explores this gap by connecting facets of boyhood as represented in American film from the 1930s to the postwar years From the Andy Hardy series to pictures such as The Search Intruder in the Dust and The Gunfighter boy characters addressed larger concerns over the dysfunctional family unit militarism the race question and the international scene as the Korean War began Navigating the political social and economic milieus inside and outside of Hollywood Peter W Y Lee demonstrates that continuities from the 1930s influenced the unique postwar moment coalescing into anticommunism and the Cold War
