My Soul Is a Witness Mari N. Crabtree, 2023-01-10 An intimate look at the afterlife of lynching through the personal stories of Black victims and survivors who lived through and beyond its trauma Mari N Crabtree traces the long afterlife of lynching in the South through the traumatic memories it left in its wake She unearths how African American victims and survivors found ways to live through and beyond the horrors of lynching offering a theory of African American collective trauma and memory rooted in the ironic spirit of the blues sensibility a spirit of misdirection and cunning that blends joy and pain Black southerners often shielded their loved ones from the most painful memories of local lynchings with strategic silences but also told lynching stories about vengeful ghosts or a wrathful God or the deathbed confessions of a lyncher tormented by his past They protested lynching and its legacies through art and activism and they mourned those lost to a mob's fury They infused a blues element into their lynching narratives to confront traumatic memories and keep the blues at bay even if just for a spell Telling their stories troubles the simplistic binary of resistance or submission that has tended to dominate narratives of Black life and reminds us that amid the utter devastation of lynching were glimmers of hope and an affirmation of life

Scratch Manjula Martin, 2017-01-03 A collection of essays from today's most acclaimed authors from Cheryl Strayed to Roxane Gay to Jennifer Weiner Alexander Chee Nick Hornby and Jonathan Franzen on the realities of making a living in the writing world In the literary world the debate around writing and commerce often begs us to take sides either writers should be paid for everything they do or writers should just pay their dues and count themselves lucky to be published You should never quit your day job but your ultimate goal should be to quit your day job It's an endless confusing and often controversial conversation that despite our bare it all culture still remains taboo In *Scratch* Manjula Martin has gathered interviews and essays from established and rising authors to confront the age old question how do creative people make money As contributors including Jonathan Franzen Cheryl Strayed Roxane Gay Nick Hornby Susan Orlean Alexander Chee Daniel Jose Older Jennifer Weiner and Yiyun Li candidly and emotionally discuss money MFA programs teaching fellowships finally

getting published and what success really means to them Scratch honestly addresses the tensions between writing and money work and life literature and commerce The result is an entertaining and inspiring book that helps readers and writers understand what it s really like to make art in a world that runs on money and why it matters Essential reading for aspiring and experienced writers and for anyone interested in the future of literature Scratch is the perfect bookshelf companion to On Writing Never Can Say Goodbye and MFA vs NYC *Once I Was Cool* Megan Stielstra,2021-08-15 *Once I Was Cool* contrasts past aspirations with the mess and magic of the present In her younger days essayist Megan Stielstra saw Jane s Addiction at the Aragon Ballroom and fantasized about living on the same block right in the thick of music and revelry As an adult she lives in a turreted condo across the street with her husband a child and an onerous mortgage It s just the home her young cool self imagined And it isn t what she expected either With conversational flourishes and on the mark descriptions Stielstra s essays evoke the richness of her everyday life and the memories that are never far away She remembers learning how to shoot a gun a cancer scare and in a piece that was anthologized in *The Best American Essays 2013* the time she eavesdropped on another new mother using her son s baby monitor I shouldn t have listened she writes But it was the first time since my son was born that I didn t feel alone Combining footnotes electric sentences and uproariously funny anecdotes have you ever run into an ex while rolling on ecstasy Stielstra shows us that maturity is demanding but its rewards are a gift
