The Complete Idiot's Guide to EBay Lissa McGrath, Skip McGrath, 2007 A guide to the online auction site provides a close up look at the latest features of eBay as well as practical tips on how to set up an account how to buy sell and bid how protect one s transactions and how to find the best deals

How to Write and Present Technical Information Charles H. Sides, 2017-09-15 Thoroughly updated to discuss the use of tools such as Skype and social media this concise volume shows how effective communication via written text and spoken presentations can positively impact project management in professional environments Professional communications are the information product of all organizations and businesses Based on that premise this book offers communications strategies that will benefit any organization that disseminates technical information in house and or to customers The popular work provides easy to understand and apply guidelines for designing and writing effective technical documents as well as other related communications What makes this new edition especially valuable is that it maintains the quality of information that distinguished the previous editions but is now updated to encompass current technology and trends including today s prevalent communication tools such as social media The book begins by looking at skills common to all technical writing and offering general advice on designing and writing reports Next is a discussion of specific types of reports along with common problems and issues writers face Finally the work overviews other forms of communications such as professional presentations The updated material also considers the growing importance of interviews and focus groups as information gathering tools the influence of visual rhetoric and the use of technologies such as Skype and webinars

The Sales Burn-out Survival Guide: The Essential Sales Manual for the Modern World Dan Driscoll, 2019-10-22 Author Dan Driscoll s passion has always been business with a focus on sales which in his opinion determines success or failure in business But when sales becomes your life it can sometimes shift from an enjoyable living to one filled with anxiety and pressure The Sales Burnout Survival Guide is designed to help you feel good about selling again So much of life is work and very few people understand what makes work rewarding Dan has taken wisdom he has gained in the last twenty years of his sales experience and condensed it into an easy to ready manual Sales knowledge is essential in all professions in today s ever changing world but it can be fun and rewarding as well Dan can teach you the skills you need for sales in this new social environment This guide to building a successful and positive career in sales demonstrates how gaining a few simple learnable skills can protect your income and transform your work life

Writing and Designing Manuals , 2010-12-12 A survival

guide for writers in the real world Writing and Designing Manuals Third Edition has become a standard reference for technical writers and editors Readable and practical it addresses all aspects of manual development from choosing a format to writing effective warnings Not limited to text elements the manual also provides guidance for designing illustrations to complement the text and underscore the safety warnings The completely revised and updated Third Edition includes Current materials on desktop publishing Alternative media such as videos CD ROMs and on line help The impact of new technology such as CD ROMs and digital cameras on manual design and production New regulations for products sold overseas Impact of the Internet on manual design Gone are the days when a manual might be a few pages of typewritten text Thanks to the advances in computer technology even tiny companies can produce slick professional publications Writing and Designing Manuals Third Edition guides you through the messy complex frustrating and fascinating business of producing manuals

Evangelist Marketing Alex L. Goldfayn, 2012-01-03 In *Evangelist Marketing* Alex Goldfayn argues that technology companies succeed in spite of their marketing not because of it He says that if consumer tech makers ceased all marketing activity today they would not see a significant decline in sales In this book Alex presents why the current state of overly technical features oriented tech marketing branding communications and public relations is costing the industry billions of dollars easy money that s voluntarily being left on the table Then he lays out a step by step system for creating intensely loyal brand evangelists based on deep consumer insights and simple emotional language *Evangelist Marketing* is written for consumer tech companies big and small from PC manufacturers to Web based services It s also sure to improve the work of their marketing and public relations agencies

The Tech Writer's Survival Guide Janet Van Wicklen, 2009 Presents a comprehensive guide that includes advice on writing editing and researching plus a glossary and solutions to common problems encountered on the job
