As previously discussed, the proposed changes to the rules will be implemented in a phased manner. The first phase will be the implementation of the proposed changes to the rules regarding the use of force. This will be followed by the implementation of the proposed changes to the rules regarding the use of weapons. The final phase will be the implementation of the proposed changes to the rules regarding the use of force and weapons.

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.
