Lifestyle Medicine, Second Edition James M. Rippe, 2013-03-15 There is no doubt that daily habits and actions exert a profound health impact. The fact that nutritional practices, level of physical activity, weight management and other behaviors play key roles both in the prevention and treatment of most metabolic diseases has been recognized by their incorporation into virtually every evidence-based medical guideline. Despite this widespread recognition, physicians and other healthcare workers often cannot find a definitive and comprehensive source of information on all of these areas. Designed for physicians and other health care workers, *Lifestyle Medicine Second Edition* brings together evidence-based research in multiple health-related fields to assist practitioners both in treating disease and promoting good health. Sections cover nutrition and exercise, behavioral psychology, public policy and management of a range of disorders including cardiovascular disease, endocrine and metabolic dysfunction, obesity, cancer, immunology and infectious diseases, pulmonary disorders and many more.

Resources in Education, 1999-04 **For the Glory of God** Daniel I. Block, 2014-08-12 Christianity Today Book Award Winner One of Worship Leader Magazine's Editor's Picks. Current discussions about worship are often driven by pragmatics and personal preferences rather than by the teaching of Scripture. True worship, however, is our response to God's gracious revelation in order to be acceptable to God, worship must be experienced on God's terms. Respected Old Testament scholar Daniel Block examines worship in the Bible, offering a comprehensive biblical foundation and illuminating Old Testament worship practices and principles. He develops a theology of worship that is consistent with the teachings of Scripture and is applicable for the church today. He also introduces readers to a wide range of issues related to worship. The book, illustrated with diagrams, charts and pictures, will benefit professors and students in worship and Bible courses, pastors and church leaders.
