Marcel A. Müller

Human Resource Management Dessler 13th Edition:

Essentials of International Human Resource Management David C. Thomas, Mila B. Lazarova, 2013-06-28 With increasing globalization comes the need to understand human resource management HRM more broadly across countries cultures institutions and organizational types Designed to help readers explore and understand the key concepts and latest research behind the strategic management of people in organizations that operate in a global context this accessible book provides concise coverage of HRM concepts balancing comparative approaches and US and non US schools of thought Not limited to the multinational firm the book reflects the most current knowledge in the field and considers all types of organizations embedded in the global context Chapter opening vignettes short cases exemplify the chapter s core topics and show readers how chapter content can be applied Extensive references make it easy for readers to explore concepts in more depth

Essentials of International Human Resource Management Lazarova, Mila, Thomas, David C., Farndale, Elaine, 2021-09-09 The revised and fully updated second edition of this textbook illustrates the multi layered knowledge accumulated in the field of international human resource management developing understanding of the strategic management of people in organizations in a global context It integrates comparative approaches to human resource management extending beyond traditional coverage of the field to provide a broader overview of contemporary cultural institutional and organizational challenges

Human Resources Management and Ethics Ronald R. Sims, Sheri K. Bias, 2021-01-01 Human Resources Management and Ethics Responsibilities Actions Issues and Experiences explores and provides an in depth look at the responsibilities actions issues and experiences related to HRM and ethics for individual employees organizations and the broader society Like other departments in the broader organization HRM professionals will need to increasingly demonstrate how they contribute to an organization s ethical orientation and overall performance or success While the ethical challenges trends and issues impacting employees organizations and HRM professionals will continue to change over the years consider the recent ethical challenges related cybersecurity and data breaches the bottom line of organization success is the clear reality that doing the right thing or institutionalizing an ethical culture or character is just as important to various stakeholders The chapters in this book provide an updated current and future look at the relationship between HRM and ethics and across various sectors or organizations i e public private not for profit academic etc That is this book discusses the ever evolving role of HRM professionals to include discussion of how the profession continues to take on more responsibility for developing and institutionalizing an ethical culture in their organizations industries and the broader society The book also contributes to the need for ongoing dialogue discussion or insights offered by HRM experts on what HRM professionals and their organizations can do in the face of ethical expectations challenges and scandals In the end the book is intended to increase our understanding of the ethical responsibilities actions issues and experiences that arise both within HRM and in HRM s interactions with individuals and organizations

Human Resource Management - An Update Ana Alice Vilas

Boas,2024-03-20 Human Resource Management An Update deals with the major theoretical and practical issues of managing people in different kinds of businesses in different countries around the world Chapters address such topics as theoretical bases for human resource management in the new work age performance management and organizational management leadership and job analysis diversity work life balance and sexual harassment among others **The HRD Almanac** Dr Vidhya Srinivasan,2016-12-26 The thinking on Human Resource Development HRD practices has been evidenced for the last one and a half decades However the pace and volume of change has forced HR managers to meet complex challenges like globalization a diverse workforce and informed expectations for training learning and development Both organizations and employees benefit from HRD interventions because an organization s success critically depends on the levels of employee skills and motivation The HRD Almanac looks at 4 broad focus areas of HR practices that are Strategy centric Organizational alignment related Employee Empowerment focused and the Learning Training and Development angle The author weaves together 25 detailed chapters spanning the gamut of the HRD function The writing is aligned on a uniform pattern providing answers to the What consisting of Definitions and Descriptions of the theme Why Consisting of Concept Clarifications Where the role of the Human Resources department and How an authentication of data obtained through a pilot study on HR practitioners across industry sectors The HRD Almanac is a factual compendium of literature concepts organizational experiences and perceptions on some of the most important HRD efforts and will serve as an appropriate and excellent handbook for young and potential HR functionaries Research Anthology on Human Resource Practices for the Modern Workforce Management Association, Information Resources,2021-12-30 Human resource departments have been a crucial part of business practices for decades and particularly in modern times as professionals deal with multigenerational workers diversity initiatives and global health and economic crises There is a necessity for human resource departments to change as well to adapt to new societal perspectives technology and business practices It is important for human resource managers to keep up to date with all emerging human resource practices in order to support successful and productive organizations The Research Anthology on Human Resource Practices for the Modern Workforce presents a dynamic and diverse collection of global practices for human resource departments This anthology discusses the emerging practices as well as modern technologies and initiatives that affect the way human resources must be conducted Covering topics such as machine learning organizational culture and social entrepreneurship this book is an excellent resource for human resource employees managers CEOs employees business students and professors researchers and academicians **Essentials of Public Health Management** L. Fleming Fallon (Jr.),Eric Zgodzinski,2012 Written for both professionals and students Essentials of Public Health Management is a practical nontheoretical reference that will prepare the reader for the hands on management and daily operations of a complex public health department or agency *Human Resource Management* Gurpreet Randhawa,2007-11 The Present Book Provides A Comprehensive View On Human Resource Management It Would Be An

Ideal Textbook For Mba M Com Pgdm And Other Postgraduate Courses Beginning With Introductory Perspectives Of Hrm And Its Evolutive Aspects The Book Elucidates In An Easily Comprehensible Manner The Concepts Of Human Resource Planning Job Analysis And Collection Of Job Data Job Design Recruitment Selection And Barriers To Effective Selection Psychological Testing And Interviews Placement And Induction Procedure Training And Management Development Techniques And Problems Associated With Performance Appraisal Career Planning Promotions Transfer And Demotions Employee Compensation Incentives Benefits And Services Industrial Relations And Disputes Employee Grievances Employee Welfare Safety And Health Collective Bargaining And Global Human Resource Management The Book Is The First Of Its Kind As It Provides Learning Objectives In The Beginning Of Every Chapter Numerous Exhibits And Examples That Would Help Sustain The Interest Of Readers Key Terms And Questions Following Each Chapter A Small Hr Dictionary In The End Of The Book Surely The Book Will Provide A Rewarding And Refreshing Experience To Its Readers *Human Resource*

Management R. C. Sharma, Nipun Sharma, 2024-09-30 This textbook introduces readers to an array of concepts and current practices of human resource management HRM It provides an understanding of the current problems in the area that require pragmatic research and realistic solutions Using a blend of diverse concepts theories tools and techniques the book discusses contemporary practices of HRM and the challenges related to acquiring and training people human resource development compensation and reward employee relations technological changes HR records audit research and more Supported by the authors rich experience of over five decades in academics as well as in the corporate sector and case studies the book will enhance conceptual understanding of HRM throw light on recent developments in this subject area and offer management strategies for problems and challenges related to human resources This book will be an essential textbook for students professionals corporate trainers and researchers of business studies management studies marketing human resource management resource management work and organisational psychology human resource development risk management economics and finance **A Research Agenda for Human Resource Management** Paul Sparrow, Cary L.

Cooper, 2017-10-27 The book's expert contributors provide short and succinct reviews of 12 key topics in strategic HRM including HR strategy and structure talent management selection assessment and retention employee engagement workplace well being leadership HR analytics productivity innovation and globalisation Each chapter identifies the strengths and gaps in our knowledge maps out the important intellectual boundaries for their field and outlines current and future research agendas and how these should inform practice In examining these strategic topics the authors point to the key interfaces between the field of HRM and cognate disciplines and enables researchers and practitioners to understand the models and theories that help tie this agenda together **Managing a Global Workforce: Challenges and Opportunities in International Human Resource Management** Charles M Vance, Yongsun Paik, 2014-12-18 Revised and updated to incorporate new research insights and findings Managing a Global Workforce provides balanced and contemporary coverage

of human resource management in the international marketplace Directed at future general managers and international executives rather than HR specialists it is designed to help readers recognize the critical human resource issues underlying the cultural and economic challenges they face The book s approach is truly global in nature not just focused on expatriates from the home office The authors also recognize contemporary trends in the global business arena including the growing use of contingent workers strategic alliances and the need to have an active influence on the workers in these new organizational relationships Reader friendly tools including an opening case scenario in each chapter to attract interest and emphasize topic importance enhance the book s practical real world emphasis For this edition new end of chapter short cases as well as new topics ideas and illustrations featuring current issues and challenges such as the global economic challenge have been added and updated Internet resource references are provided for each chapter
