as the MH 1970 MI 1971 MJ 1972 and MK 1973 1975 series the original Clymer manual provided coverage beyond its
publication date and effectively included those models from 1965 through 1975 While this 2025 edition includes all of the

1975 450 cc 1972 1974 We encourage you to exercise caution when purchasing technical publications for your classic
motorcycle or automobile as many of the reprints found on internet websites are from bedroom sellers at enticingly low
prices by individuals that really have no idea what they are selling Many are nothing more than poor quality digital or comb
bound photocopies that are scanned or printed complete with greasy pages and thumbprints and as such are deceptively
described as pre owned used or even refurbished In addition they are often advertised for the incorrect series and or model
years However VelocePress com has been publishing reprints of motorcycle and automobile manuals since 2003 and our
publications have earned excellent reviews worldwide so you can be assured you are purchasing a quality product
