Managerial Accounting 9th Edition Hilton Solutions:

Ebook: Managerial Accounting - Global Edition Ronald Hilton, David Platt, 2014-09-16 We are pleased to present this Global Edition which has been developed specifically to acquaint students of business with the fundamental tools of managerial accounting and to promote their understanding of the dramatic ways in which business is changing. The emphasis is on teaching students to use accounting information to best manage an organization. Each chapter is written around a realistic business or focus company that guides the reader through the topics of that chapter. There is significant coverage of contemporary topics such as activity based costing, target costing, the value chain, customer profitability analysis and throughput costing while also including traditional topics such as job order costing, budgeting and performance evaluation. Many of the real world examples in the Management Accounting Practice boxes have been revised and updated to make them more current and several new examples have been added. This Global Edition has been adapted to meet the needs of courses outside the United States and does not align with the instructor and student resources available with the U S edition.

COST ACCOUNTING, Fourteenth Edition BANERJEE, BHABATOSH, 2021-07-01 This well established and widely adopted textbook now in its 14th edition continues to provide an in depth and insightful analysis of the modern theories and practices of Cost Accounting. That the book has gone into its 14th edition and several reprints is a testimony of its wide acceptance by the students, academics and professionals. Primarily intended for postgraduate and undergraduate students of Commerce and Management, the book will be of immense benefit to the students pursuing professional courses offered by the Institute of Chartered Accountants of India (ICAI), Institute of Cost Accountants of India (ICAI), Institute of Company Secretaries of India (ICSI) and those pursuing the Chartered Financial Analyst (CFA) course. Now in its 14th edition, the book has been suitably revised meeting the latest syllabi requirement of various courses. The chapter on Strategic Cost Management has been updated to make it indispensable to modern management to enhance the competitive advantage of the firm. Besides many chapters have been overhauled and updated, especially the chapters covering basic concepts and terms, classification of costs and cost sheet, activity based costing, marginal costing, relevant cost analysis and management decisions, capital budgeting decisions and cost audit. The book also includes some of the cost standards set by ICAI, a wide array of illustrations, worked out examples and practice exercises. Besides a large number of MCQs are given online for the students to practice and self evaluation. MCQs are critical in proper understanding and practice of theories and concepts. Also CIMA Official Terminology is provided online to keep students and professionals abreast of relevant terms used in today's business environment. For online material visit https://www.phindia.com/banerjee_cost_accounting_theory. TARGET AUDIENCE: B Com, Hons, BBA, MBA, M Com.
