Managing Conflict In A World Adrift:

Managing Conflict in a World Adrift Chester A. Crocker, Fen Osler Hampson, Pamela Aall, 2016-10-17 The eagerly anticipated follow up to *Leashing the Dogs of War* In the midst of a global political shift where power moves from central institutions to smaller more disbursed units another landmark text edited by Chester A Crocker Fen Osler Hampson and Pamela Aall provides essential insights and practical guidance In *Managing Conflict in a World Adrift* 40 of the world's leading international affairs analysts examine the relationship between political social or economic change and the outbreak and spread of conflict They then consider what this means for conflict management This panoramic study is the latest volume in a series of titles on conflict management edited by Crocker Hampson and Aall and follows up on their seminal work *Leashing the Dogs of War* 2007 For more than a decade this series of titles has been the definitive resource for students and practitioners of conflict management who want a better understanding of the most contemporary thinking about what causes conflict and how to prevent and manage it

International Negotiation and Mediation in Violent Conflict Chester A. Crocker, Fen Osler Hampson, Pamela Aall, 2018-02-06 This collection of essays situates the study and practice of international mediation and peaceful settlement of disputes within a changing global context The book is organized around issues of concern to practitioners including the broader regional global and institutional context of mediation and how this broader environment shapes the opportunities and prospects for successful mediation A major theme is complexity and how the complex contemporary context presents serious challenges to mediation This environment describes a world where great power rivalries and politics are coming back into play and international and regional organizations are playing different roles and facing different kinds of constraints in the peaceful settlement of disputes The first section discusses the changing international environment for conflict management and reflects on some of the challenges that this changing environment raises for addressing conflict Part II focuses on the consequences of bringing new actors into third party engagement and examines what may be harbingers for how we will attempt to resolve conflict in the future The third section turns to the world of practice and discusses mediation statecraft and how to employ it in this current international environment The volume aims to situate the practice and study of mediation within this wider social and political context to better understand the opportunities and constraints of mediation in today's world The value of the book lies in its focus on complex and serious issues that challenge both mediators and scholars This volume will be of much interest to students practitioners and policymakers in the area of international negotiation mediation conflict resolution and international relations

Observing Conflict Escalation in World Society Richard Bösch, 2023-10-16 How do conflicts escalate This is one of the major questions in conflict research To offer further answers Richard Bösch follows a tripartite agenda First he develops a constructivist methodology for the study of conflict escalation embedded in a Luhmannian systems theoretical world society perspective Bösch argues that conflicts can be observed as social systems and he looks at the process of conflict escalation by

analysing communication Second this analysis offers two case studies the Maidan protests in Ukraine 2013 2014 and Mali s crisis 2010 2012 Third it gives insights on how systems theoretical research can be beneficial for Peace and Conflict Studies

The Catholic Case against War David Carroll Cochran,2024-03-01 The Catholic Case against War demonstrates how the Catholic mantra Never again war reflects a set of powerfully realistic teachings on war and peace Over the last five decades the Catholic Church has emerged as a powerful critic of war and as an advocate for its alternatives At the same time researchers of armed conflict have produced a considerable body of scholarship on war and its prevention The Catholic Case against War compares these seemingly disparate lines of thought and finds a remarkable harmony between the two Drawing on years of Vatican documents and papal statements political scientist David Carroll Cochran clearly presents the key elements of the Church s case against war Far from a na ve optimistic call for peace these teachings are consistent with the empirical research on the realities of contemporary warfare The result is a look not only at the explicit moral case against war developed by the Vatican but also at its remarkable realism and relevance to world conflict today *The Art of War in an Age of Peace* Michael O'Hanlon,2021-05-25 An informed modern plan for post 2020 American foreign policy that avoids the opposing dangers of retrenchment and overextension Russia and China are both believed to have grand strategies detailed sets of national security goals backed by means and plans to pursue them In the United States policy makers have tried to articulate similar concepts but have failed to reach a widespread consensus since the Cold War ended While the United States has been the world s prominent superpower for over a generation much American thinking has oscillated between the extremes of isolationist agendas versus interventionist and overly assertive ones Drawing on historical precedents and weighing issues such as Russia s resurgence China s great rise North Korea s nuclear machinations and Middle East turmoil Michael O Hanlon presents a well researched ethically sound and politically viable vision for American national security policy He also proposes complementing the Pentagon s set of 4 1 pre existing threats with a new 4 1 biological nuclear digital climatic and internal dangers

Ending South Sudan's Civil War Katherine Almquist Knopf,2016-11-01 Following its independence in 2011 three years of civil war have left South Sudan on the cusp of full scale genocide with its sovereignty discredited by warring elites asserts a new Council Special Report Ending South Sudan s Civil War The only remaining path to protect South Sudan s sovereignty and territorial integrity restore its legitimacy and politically empower its citizens is through an international transitional administration established by the United Nations and the African Union AU to run the country for a finite period argues Katherine Almquist Knopf the author of the report I William Zartman: A Pioneer in Conflict Management and Area Studies I. William Zartman,2019-05-13 The work draws on wide ranging area analysis to develop inductively new concepts and approaches for further use in explanation and application Divided into two parts it begins with analysis of revolution and socio political unrest followed by models of ethnic conflict and elite circulation in developing societies It presents the cultural dialectic present in Islam It then lays out the

patterns of mediation and negotiation in managing and resolving conflict culminating with an analysis of intractables Part two on governance lays out the nature of world order cooperation and conciliation It then turns to the challenges of identity ideology and interest with some specific attention to the nature of borders and borderlands and focuses on governance as conflict management and as negotiation This book encompasses a new analysis of a neglected part of International Relation the prevention and management of conflict The book confronts sources and patterns of contentious politics with systems and methods of governance The book lays out a comprehensive conceptualization of the process of conflict management and negotiation including questions of when as well as how

Gordon, 2019-04-26 This path breaking new textbook provides a broad overview of the core concepts actors and activities involved in building security and justice after conflict as well as challenges and lessons learned in this field Drawing attention to the principles which guide or should guide this kind of work as well as using practical examples throughout the book covers a uniquely wide range of issues in peacebuilding from transitional justice and disarmament to security sector reform and human rights It concludes by considering both the regional and more far reaching impacts of conflict including such global phenomena as terrorism piracy and organised crime With a decade of experience working in post conflict zones for the UN and other organisations and a further 10 years in academia and as a consultant for various international organisations the author's unparalleled expertise on the topic and her accessible writing style make this book the essential guide to postgraduate and upper level undergraduate courses on peace and conflict studies The text is also important supplemental reading for those studying war peace development security or IR in a wider context and for practitioners and policy makers in the field of peacebuilding

The Fabric of Peace in Africa Pamela Aall, Chester A. Crocker, 2017-06-05

Africa has experienced dozens of conflicts over a variety of issues during the past two decades Responding to these conflicts requires concerted action to manage the crises the violence the political discord and the humanitarian consequences of prolonged fighting It is also necessary to address the long term social and economic impacts of conflict to rebuild communities societies and states that have been torn apart To accomplish this requires the involvement of institutions and groups rarely considered in formal official African conflict management activities schools universities religious institutions media commercial enterprises legal institutions civil society groups youth women and migrants These groups and organizations have an important role to play in building a sense of identity fairness shared norms and cohesion between state and society all critical components of the fabric of peace and security in Africa This volume brings together leading experts from Africa Europe and North America to examine these critical social institutions and groups and consider how they can either improve or impede

peaceful conflict resolution The overarching questions that are explored by the authors are What constitutes social cohesion and resilience in the face of conflict What are the threats to cohesion and resilience And how can the positive elements be fostered and by whom The second of two volumes on African conflict management capacity by the editors The Fabric of Peace in Africa Looking beyond the State opens new doors of understanding for students scholars and practitioners focused on strengthening peace in Africa the first volume Minding the Gap African Conflict Management in a Time of change focused on the role of mediation and peacekeeping in managing violence and political crises

Diplomacy and the Future of World Order Chester A. Crocker, Fen Osler Hampson, Pamela Aall, 2021-05-03 An international group of experts confront challenges to peace and conflict diplomacy by considering three potential scenarios for world order evaluated through regional perspectives from around the world where key states decide to go it alone return to a liberal order or collaborate on a case by case basis

IR Theory, Historical Analogy, and Major Power War Hall Gardner, 2018-12-21 This book critically examines elements of America First nationalism neo conservatism neo realism neo liberalism environmental theories and social constructionism by way of developing an alternative realist approach to the study of the origins of major power war The author critiques concepts of polarity and sovereign decision making and diplomacy before developing the concept of highly uneven polycentrism The book then develops a unique comparative historical approach that seeks to compare and contrast the pre World War I pre World War II and Cold War eras with the contemporary post Cold War period It is argued that the US as it remains the leading global hegemon must fully engage in multilateral diplomacy with major friends and rivals alike in the establishment of differing forms of power sharing and joint sovereignty accords in order to prevent the global system from polarizing into two contending alliances more reminiscent of both the pre World War I and pre World War II periods than the new Cold War
