Mangum Man From Red Mountain:

Mangum! Norman Carrington Schipke, 2014 Mangum Man from Red Mountain is the saga of the life and times of Willie Person Mangum 1792 1861 the great lawyer judge and President Pro Tempore of the Senate from Red Mountain North Carolina His story until now has been all but forgotten and lost in the annals of history This first ever published biography captures the personal and professional life of this man from his roots that remained firmly planted throughout his life at his Red Mountain home Walnut Hall to the halls of power in Washington DC He was deeply admired and respected by other great men of renown during the golden age of the Senate including Clay Calhoun and Webster He was courted by the White House and frequently dined with presidents Adams Jackson Van Buren Harrison Tyler Polk Taylor and Fillmore As a voice from the South and the national leader of the Whig Party Mangum was only a heartbeat away when President Harrison died It concludes with Mangum s final waning years back at Red Mountain where his only son joins the Confederacy s Sixth North Carolina Regiment as America explodes into the Civil War Durham County Jean Bradley Anderson, 2011-05-09 This sweeping history of Durham County North Carolina extends from the seventeenth century to the end of the twentieth

Congressional Record United States. Congress, 1980 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **The Papers of Henry Clay** Henry Clay, The Papers of Henry Clay span the crucial first half of the nineteenth century in American history Few men in his time were so intimately concerned with the formation of national policy and few influenced so profoundly the growth of American political institutions The year 1837 found Henry Clay hard at work in a successful effort to organize and strengthen the new Whig party In his attempt to provide for it an ideological core he emphasized restoration of the Bank of the United States distribution of the treasury surplus to the states continued adherence to his Compromise Tariff Act of 1833 and federal funding of internal improvements The achievement of these goals Clay reasoned would mitigate the severe impact of the Depression of 1837 and sweep the Whigs into the White House in 1840 Soon after

the election of 1836 Clay began running again for the presidency By 1838 it was clear to him that he would have to come to grips politically with the long muted slavery question This he did in February 1839 in a Senate speech that was so proslavery anti abolitionist and racially extremist that it cost him the Whig presidential nomination at the Harrisburg convention in December 1839 William Henry Harrison was nominated in his stead and won handily But one month after his inauguration Harrison died and Vice President John Tyler a states rights Democrat turned Whig was elevated to the presidency Senator Clay emerged from his disappointment at Harrisburg as the acknowledged leader of the Whig party and further unified it in a wide ranging assault on the Tyler administration s refusal to support Whig principles By the end of 1843 Tyler had been broken the Whig party was Clay s to lead and the Kentuckian was again in the presidential lists Confident that 1844 would surely be his year Clay unfortunately failed to see the formation and growth of the black cloud that was Texas annexation Publication of this book was assisted by a grant from the National Historical Publications and Records Commission *Guide to the Cataloged Collections in the Manuscript Department of the William R.
