Manitou Manitou T:

The Bridge of Manitou's Paul Weightman,2019-08-17 An act of pure evil haunts an old railway bridge and town for over two hundred years There are four types of people who stumble upon that bridge The stupid the thoughtless unsuspecting strangers and the very young and innocent In the summer before the bridge was abandoned the only thing you had to worry about on that bridge was an oncoming train but in the winter Not since the nineteen sixties has anyone had to worry about that anytime of the year but during the winter there s something else on that bridge No one knows what that something is but during the winter months anyone who wonders up on the deck of that bridge is never seen again at least nothing of them other than the gory bloody specks scattered over the surface Whatever it is that cast its evil there anyone who has ever seen it hasn't returned to tell their story until recently The High School that Dripped Gooseflesh Arne Christiansen,1990
