Professor and Bisexual Manuel García, 2025-07-14 They're real men Flesh and bone sweat and silence In Professor and Bisexual Manuel García strips desire down to its raw essence virile unsentimental and pulsing with tension These stories aren't fantasies They're encounters that emerge from conflict closeness and moments where skin brushes just a little too long Here masculinity isn't a pose It's a language spoken in glances gestures and the weight of everything left unsaid In the title story a young academic grinds away at a quiet book bound life chasing a future he can barely imagine His mentor the professor brilliant magnetic seemingly untouchable offers guidance competition and the kind of closeness that always skirts the edge When a looming deadline forces them into a shared weekend of work behind closed doors the air grows thick with something else an invitation that's not quite spoken and a boundary begging to be crossed The morning was hot He greeted me in a thin white T-shirt shorts clinging to his thighs We sat too close on the couch papers everywhere but my eyes couldn't leave the fabric that revealed more than it should I caught myself staring He caught me watching A smirk a hand on my leg and then that voice low and knowing We've earned a break Enrico Let's fuck around a bit Every story in this collection walks a fine line between control and surrender Between what men say and what their bodies demand Professor and Bisexual is a celebration of masculine eroticism at its most carnal its most conflicted and its most intoxicating Let the silence speak Let the tension burn

Sex in Morocco MANUEL GARCIA, 2025-07-17 In *Sex in Morocco* desire doesn't ask It takes These stories are carved from flesh sweat and silence where men meet in sun drenched courtyards half empty hotel bars locker rooms and street corners They don't fall in love They fall into each other And when they do the world fades leaving only breath friction and the hunger to feel more The title story unfolds under the Moroccan sun where Romain 19 craves what most boys don't the quiet strength of older men At a

hotel full of retirees he spots Jean 64 blunt tan and alone A glance A question A dinner invitation What follows is not romance but submission Champagne skin and the slow rhythm of someone who knows exactly what he wants Jean stood in front of me shirt half open the smell of cologne and sweat rising from his chest He took my glass set it down and kissed me like he d been waiting for years not for love but for permission When he undressed me I didn t speak I didn t need to My legs were already parting But in Morocco one night is never enough Romain wakes up to warm mouths and cooler instructions Tonight come back I have a surprise Jean says and just like that a day of wild exploration begins A new man A different kink A shift in power The boy becomes the hunter the prey and something else entirely Sensual carnal and brutally honest this collection captures what happens when men stop pretending and start taking

Exotic Pleasures Manuel García,2025-07-08 In these raw unvarnished stories of male desire Manuel Garc a writes about real men flesh and blood virile sometimes rough sometimes silent Men who don t talk about their feelings but speak through their bodies Men who take who want who resist and give in Set in sun drenched towns cramped apartments anonymous hotel rooms and distant islands these encounters are charged with power need and the primal rhythm of skin on skin The title story Exotic Pleasures follows a Parisian man chasing more than heat in the Caribbean Two strangers one shy uniformed and yearning the other dark skinned broad shouldered and burning with his own unspoken fantasy pull him into a world where eroticism rises from tension difference and the dangerous thrill of what might happen next Gilbert met me at the airport hand warm grip unsure In the car my fingers brushed his thigh he flinched but didn t move away Later in his modest flat he offered me a drink while my towel barely held His eyes didn t lie How do you find me he asked Appetizing I answered The rest didn t need words Garc a s writing smells of sweat and ocean salt tastes of longing and bravado His men don t fall into bed they collide With tension with power with a hunger too old to name Desire here is a slow burn And when it ignites it leaves nothing untouched

Five Studs Wild N. D. Clark,2017-02-27 Rex Longacre and Freddie Garner are recent high school graduates of the same school where they know one another only in passing That all changes when Freddie is hired on at the Longacre Ranch and the two young men discover they fit together hand in glove To celebrate their graduation Walt Stromberg the young sensational looking foreman for whom Rex has an intense crush invites Rex Freddie and two of their friends on a camping trip that turns into an unbridled night of sensual celebration and self discovery Excerpt from Five Studs Wild I trudged over fallen trees sharp rocks and muddy pools of water to get back to our campsite fretting over whether I d crossed the line with my best friend perhaps losing him forever When I reached him he was sitting on a blanket sulking with a towel wrapped around his shoulders He took a long draw on his bottle of beer What do you want he asked sharply thunderously clapping his rugged hands together to squash a mosquito After an uncomfortable silence he lifted his head to glare at me Hadn t you better get back to your precious Waltie Dylan and Luke might steal him away I m sorry Freddie I I was being a jealous jerk What can I do to make it up to you Anything you want just name it I don t know my feelings are pretty hurt His lower lip protruded in an

exaggerated pout An intense feeling of relief flooded over me as I realized he was faking Freddie extended his hands and I pulled him to his feet C mon he said smiling let s stop by our tents get some flashlights and another blanket We followed a trail leading into the woods I foolishly lifted the beam of light from the treacherous ground before me and aimed it at the taut toned backside of my longtime buddy precariously tripping over rocks and the roots of trees that ran atop the ground His body was a marvel to behold It moved in its own distinctive style a graceful yet powerful masculinity I loved his skin bronzed from working in the sun it matched his chestnut brown eyes and dark hair Freddie was shorter than me but he was framed well with around a hundred and seventy pounds of toned muscle the end result of hard physical labor We hadn t traveled that far as was evident from the rowdy laughter and horseplay echoing from the campsite It sounded as if they were out of the water and settled around the campfire probably drying off swigging down beer and swapping ghost stories Somewhere in the back of my mind I couldn t help wondering if Walt Dylan and Luke were already at it Freddie had played well to my paranoia but I had no right to feel cross with him I was just overjoyed that he wasn t really mad at me As much as I wanted Walt I wasn t going to risk years of friendship with my best friend not to mention our magnificent sex over petty jealousy
