Faces In The Crowd:

Some Faces in the Crowd Budd Schulberg, 2012-07-31 Twenty gritty stories by the Academy Award winning writer of *On the Waterfront* and *A Face in the Crowd* Despite growing up among Hollywood's most powerful producers and movie stars in the 1920s and 30s Budd Schulberg was always a populist at heart In this collection of his best short fiction Schulberg takes readers from the halls of privilege in Los Angeles to smoky dives and dockyard slums in New York His eye for detail and nose for trouble render characters as vividly as a Weegee photograph These stories also represent the great clash of people and ideas in mid century America The collection includes *The Arkansas Traveler* the story Schulberg adapted into the influential prescient film *A Face in the Crowd* starring Andy Griffith This ebook features an illustrated biography of Budd Schulberg including rare images and never before seen documents from the author's estate *A Face in the Crowd* Barry

Spencer, 2020-06-15 The book written by an ordinary member of the public argues that in spite of concerted efforts to derail his presidency Donald Trump through his life experience embodies many of the attributes of a great president What is so remarkable is not that he was elected against all expectations but that his presidency has proved to be so successful The media has portrayed Trump in the most negative terms possible to a degree that would have destroyed a lesser man The book demonstrates that this picture is almost entirely false Trump is president at a historic moment when the nation is polarized between radical progressives striving for fundamental change and conservatives who stand by traditional values Trump is not an ideologue but a pragmatist resisting social experimentation with the potential to be one of the greatest presidents in the history of the republic *Faces in the Crowd* Whitechapel Art Gallery, Castello di Rivoli (Museum : Rivoli, Italy), 2004 Taking Edouard Manet as its starting point and moving through the work of major painters and sculptors such as Ensor Boccioni Duchamp Kollwitz Kirchner Beckmann Magritte Picasso Hopper Warhol Hamilton Pistoletto Richter Acconci Sherman Schutte Ofili and Kentridge as well as photographers such as Atget Brassai Evans Levitt Arnold Weegee Giacomelli Goldin and Keita *Faces in the Crowd* traces a history of avant garde figuration from the 1870s to today through the works of one hundred artists The great revolutions in twentieth century art tend to be associated with abstraction Yet there is a parallel history which is equally radical Manet's vividly realist scenarios or Jeff Wall's cinematic tableaux offer a compelling pictorial illusion of the modern By contrast Edvard Munch or Francis Bacon present a tortured or exhilarated inner life For Alexander Rodchenko the figure can be an agent of social change revolutionary transgressive or symbolic This catalogue accompanies the exhibition organised by the Whitechapel Gallery and the Castello di Rivoli Museum of Contemporary Art
