General Manual Of Administration Manitoba:

General Manual of Administration: Manitoba Government Manitoba. Department of Finance. Administrative Policy Branch,1975 *Corporate Autonomy and Institutional Control* Douglas F. Stevens,1993-06-14 Stevens examines institutional frameworks for Crown corporations in Alberta Saskatchewan and Manitoba between the early 1970s and the mid 1980s showing how each framework establishes different practices and offers distinct strategic advantages Organizational approaches in Alberta most closely approximated what the author calls a self contained design in which corporate actors had the advantage and were most able to achieve their own objectives In Manitoba where vertical information systems prevailed central bureaucratic monitoring agents tended to some extent to wield influence over the corporations Saskatchewan practice was akin to a lateral relations pattern with an equilibrium between corporate and bureaucratic goals Stevens s comparison of Crown corporation organization designs suggests that while no one form is inherently more efficient than another each leads to qualitatively different outcomes He concludes that the most important issue in problems of organization design is who is winning the Crown corporation game a finding of considerable interest to all students of government enterprise Institutionalized Cabinet Christopher Dunn,1995-06-22 Dunn investigates factors leading to the initiation and persistence of institutionalized cabinets in the governments of T C Douglas in Saskatchewan Duff Roblin and Walter Weir in Manitoba and W R Bennett in British Columbia He describes the transition from unaided or relatively uncoordinated central executive structures to those that are more structured collegial and prone to emphasize planning and coordination He also examines how the premier s role has expanded from simply choosing cabinets to reorganizing their structure and decision making processes as well The institutionalization of provincial cabinets has had major effects on both political actors and functions in the three provinces studied Dunn shows that cabinet structure has changed and been changed by power relations within the cabinet Public Administration Series--Bibliography ,1985
