Asteroid Answers to Ancient Calendar Mysteries Herbert B. Stollorz, 2008-07-03 Ancient calendars found around the world are designed to end one point in time They communicate an urgent warning to everyone alive today Complex bronze and gold clocks with multiple dials are found in museums around the world Why they have such advanced intricacy has stumped scientists for hundreds of years This book reveals why the ancients built so many pyramids observatories as well as those complex gold and bronze clocks with more than one dial It surprised me greatly to discover that their various complex designs in one way or another converge on 21 December 2012 It amazes me that ancient cultures separated by thousands of miles of geography and thousands of years in chronology agree so precisely in the cyclical nature of time history and prophecy which is history written in advance The most famous example is the Mayan Aztec calendar which ends its 25 626 year cycle on that momentous date Some researchers have also found 21 December 2012 in what is called the Bible Code Using very different research methods I discovered it in the Bible s book of Revelation and Daniel s prophecies It is one of the most important dates in the plan of God for all humanity You Are a Theologian J.T. English, Jen Wilkin, 2023-07-18 2024 Christian Book Award winner Christian Living category The Gospel Coalition 2024 Book Awards Popular Theology Award of Distinction WORLD 2023 Books of the Year Honorable Mention Theology can be intimidating Perhaps questions like these have kept you from engaging with it What is theology Who does theology What happens if I get something wrong Theology can be intimidating But it doesn t have to be Whether conversations about theology have felt out of reach over your head or irrelevant consider this book an invitation to the dialogue The goal of theology is knowing and loving God well This is a lifelong endeavor a never ending pursuit not for the sake of knowledge but for an ever deepening relationship with God Himself Authors Jen Wilkin and J T English invite you to become not merely a consumer of theology but a contributor to the conversation and to grow in faithfulness to the Great Commission s call to make disciples You are a theologian You Are a Theologian addresses theological questions such as Who is God The Doctrine of the Trinity What is God like The Attributes of God What is the Bible The Doctrine of Scripture Who are we The Doctrine of Humanity What went wrong The Doctrine of Sin What has God done The Doctrines of Christology Atonement and Justification To whom do we belong The Doctrine of the Church How does the story end The Doctrine of Last Things *Genesis-Leviticus* Zondervan, 2009-12-15 Continuing a Gold Medallion Award winning legacy the completely revised Expositor s Bible Commentary puts world class biblical scholarship in your hands A staple for students teachers and pastors worldwide The Expositor s Bible Commentary EBC offers comprehensive yet succinct commentary from scholars committed to the authority of the Holy Scriptures The EBC uses the New International Version of the Bible but the contributors work from the original Hebrew and Greek languages and refer to other translations when useful Each section of the commentary includes An introduction background information a short bibliography and an outline An overview of Scripture to illuminate the big picture The complete NIV text Extensive

Thompson,2016-12-20 Is the Bible historically accurate Are there any contradictions in the Bible If we look too closely at the Bible might we find things that will destroy our faith Should I be afraid that some new archaeological discovery will prove the Bible wrong How much freedom do I have to interpret the Bible Combining history Scripture and an understanding of human nature Dr Thompson takes on the difficult questions regarding the Bible and inspiration He goes beyond the question of whether you can trust the Bible to ask whether you can trust yourself as you study This unique study of inspiration uses internal evidence from the Bible text its history collection and transmission to look at the way in which God works through prophets and Bible writers As an experiential lens he uses the experience of the Seventh day Adventist community of which he is a part and its reception and use of Ellen White as God s messenger This provides an example of someone who produced an incredible volume of written material in her lifetime yet maintained a great humility and understood her own spiritual experience as one of growth However Inspiration Hard Questions Honest Answers is not just for Seventh day Adventists The lessons drawn from the experience of one community have wide applicability as we look at a range of views on biblical interpretation experience tradition and contemporary claims of a prophetic word All communities of faith would do well to ask the hard questions addressed in this book and to learn from the history and experience of others Ultimately the author is addressing a question that comes to all of us What is God s will and how can I know it Can I be certain To find the answers we need Dr Thompson reminds us We cannot just know Scripture we have to know God In this Second Revised Edition you will find a new bridge chapter designed to invite readers outside of

the Adventist tradition to join in the conversation as well as a number of minor updates and a set of beautiful photographs and drawings inspired by scripture prepared for this edition by Wanda Thompson It is not enough to determine how the inspiration of scripture works as a theological tenet or a doctrinal point Ultimately for God s Word in scripture to accomplish its mission we must each be inspired by it as well **The Story of the Bible: Genesis to I Kings** ,1952 **The Academy and Literature** ,1895 *The Sunday-school Times* ,1887 *The Free Methodist* ,1902 Eerdmans Commentary on the Bible: Exodus William D. Johnstone,2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Johnstone s introduction to and concise commentary on Exodus The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions
