Geography

Geomorphology – geographical skills and techniques

This support pack for *Our Communities* provides a range of resources to assist with the preparation for the suggested investigation on *Our Communities* from the section 11.1 CAPS content statement. Geomorphological sub-systems contribute to the formation of the landscape. However, the distribution of geomorphological landforms varies greatly. Through the use of the suggested investigation, learners should become more familiar with the distribution of geomorphological landforms. These learners should also be able to apply their geographical skills and techniques to the study of the distribution of geomorphological landforms in the study area.
