Hells Wasteland The Pennsylvania Torso Murders:

Hell's Wasteland James Jessen Badal, 2013 Did the Mad Butcher of Cleveland also strike in Pennsylvania From 1934 to 1938 Cleveland Ohio was racked by a classic battle between good and evil On one side was the city's safety director Eliot Ness On the other was a nameless phantom dubbed the Mad Butcher of Kingsbury Run who littered the inner city with the remains of decapitated and dismembered corpses Never caught or even officially identified the Butcher simply faded into history leaving behind a frightening legend that both haunts and fascinates Cleveland to this day In 2001 the Kent State University Press published James Jessen Badal's *In the Wake of the Butcher Cleveland's Torso Murders* the first serious book length treatment of this dark chapter in true crime history Though *Murder Has No Tongue The Lost Victim of Cleveland's Mad Butcher* a detailed study of the arrest and mysterious death of Frank Dolezal the only man ever charged in the killings followed in 2010 Now Badal concludes his examination of the horrific cycle of murder dismemberments with *Hell's Wasteland The Pennsylvania Torso Murders* During the mid 1920s a vast swampy area just across the Ohio border near New Castle Pennsylvania revealed a series of decapitated and otherwise mutilated bodies In 1940 railroad workers found the rotting remains of three naked and decapitated bodies in a string of derelict boxcars awaiting destruction in Pennsylvania's Stowe Township Were all of these terrible murders the work of Cleveland's Mad Butcher Many in Ohio and Pennsylvania law enforcement thought they were and that assumption led to a massive well coordinated two state investigation In *Hell's Wasteland* Badal explores that nagging question in depth for the first time Relying on police reports unpublished memoirs and the surviving autopsy protocols as well as contemporary newspaper coverage Badal provides a detailed examination of the murder dismemberments and weighs the evidence that potentially links them to the Cleveland carnage *Hell's Wasteland* is the last piece in the gigantic torso murder puzzle that spanned three decades covered two states and involved law enforcement from as many as five different cities

[Serial Killer Quarterly Vol.1 No.3 "Unsolved in North America"](#) Harold Schechter, Lee Mellor, Michael Newton, Kim Cresswell, Aaron Elliott, Robert Hoshowsky, 2014-09-29 Another triple feature *Unsolved in North America* the third issue of *Serial Killer Quarterly* focuses on 6 American and 2 Canadian cases of multiple murderer in which the slayer has eluded justice Three years before Jack the Ripper stalked the streets of Whitechapel a bold and barefoot killer was slipping into Austin's outbuildings to murder and rape black servant girls sometimes after death In his *Servant Girl Annihilator* acclaimed true crime writer Harold Schechter drags this gruesome piece of Texan history back into the light for modern eyes to behold 2500 miles north as the crow flies and 20 years later a series of bizarre decapitation arson murders commenced in the gold gutted Yukon Canadian serial murder specialist Lee Mellor takes a look at these slayings along with providing nail biting articles on America's most infamous unsolved serial murder case the Zodiac Killer of San Francisco as well as the Montreal Child Murders a spate of tragic pedophile killings which plagued the city throughout the Eighties Another Franco American cultural centre was shaken to the core between 1918 1919 when the shadowy Axeman

of New Orleans slashed and bludgeoned unsuspecting Italian couples in their beds Grinning Man Press co founder Aaron Elliott tells of this jazz happy native of Tartarus and his possible but improbable connection to organized crime The mob also appear as unlikely suspects in prolific author Michael Newton s The Mad Butcher of Kingsbury Run Set against the backdrop of prohibition era Cleveland a seemingly bisexual butcher left at least 10 victims dismembered and disfigured in and around the city while legendary detective Eliot Ness faltered in his attempts to capture the perpetrator In more recent events Robert Hoshowsky and Kim Cresswell reveal the details of intriguing serial murder mysteries on America s two coasts California s menacing Golden State Killer aka the Original Night Stalker and New York s Long Island Serial Killer Considering how many of these offenders may still be at large and lurking in a community near you Grinning Man Press warns that Unsolved in North America may destabilize your sense of personal security result in intense fear and paranoia and lead you to invest great quantities of money in alarm systems intricate locks and firearms

In the Wake of the Butcher James Jessen Badal,2014 This title examines the horrific series of unsolved dismemberment murders that terrorized the Kingsbury Run neighbourhood in Cleveland Ohio from 1934 to 1938 Through his access to a wealth of previously unavailable material Badal is able to present a far more detailed and accurate picture of the battle between Cleveland safety director Eliot Ness and the unidentified killer who avoided both detection and apprehension

Though Murder Has No Tongue James Jessen Badal,2010 The unfortunate victim of a frightened city desperately in need of a scapegoat Though Murder Has No Tongue tells the story of Frank Dolezal the only man actually arrested and charged with the infamous Torso Murders in Cleveland Ohio during the late 1930s Dolezal a fifty two year old Slav immigrant came to the attention of sheriff s investigators because of his reputation as a strange man who possessed a stockpile of butcher knives According to rumors he threatened imagined transgressors and had a penchant for frequenting bars in the seedy neighborhood where the dismembered bodies of victims had been discovered Dolezal was arrested in July 1939 and never saw freedom again Convinced that they had captured the

Mad Butcher of Kingsbury Run sheriff's deputies interrogated Dolezal for two days under harsh conditions Sheriff Martin O'Donnell called a press conference and announced that the long hoped for break in the torso killings had finally come Dolezal had admitted to the January 1936 murder and dismemberment of Flo Polillo one of the early victims of the Mad Butcher During the next six days Dolezal was questioned further given a lie detector test beaten and generally mistreated Ultimately he was arraigned on first-degree murder charges that were quickly dropped because he was denied legal representation At his second arraignment in July Dolezal was bound over on manslaughter charges Within a month he was dead found hanged in his cell His mysterious death was ruled a suicide But was it In *Though Murder Has No Tongue* James Jessen Badal tells a gripping tale of justice gone wrong It is also a modern story of forensic analysis as compelling as an episode of CSI Using police and sheriff reports inquest testimony autopsy and archival photographs unpublished notes from the primary investigators and analyses from some of today's top forensic anthropologists and medical examiners Badal establishes the facts dispels rumors and presents a thorough examination of the real reasons behind Frank Dolezal's mysterious death
